Slo-Pitch Tourney Ends Saturday

FARMINGTON Softball enthusiasts will find plenty of action during the 1971 Farmington Founders Festival during the fourth annual Festival Invitational Slo-Pitch Tournament.

Norv Kennedy, tournament director, says the tournament will involve a round-robin of several games with such teams as the Knights of Columbus, Farmington Area Jaycees and Farmington Slo-Pitch League teams.

THE FIRST series of games will be played Friday, July 30, at the Drake Road Park and the K of C ballfield with games beginning at 7 p.m., 8:15 p.m. and 9:30 p.m.

Games will continue on Saturday, July 31 at 10 a.m. with two games at the Drake Park and one at the K of C ballfield.

The championship game is scheduled for Saturday at 7:30 p.m. at the K of C field.

SEVERAL TROPHIES will be awarded to the winning teams in the competition.

Players on the winning teams will receive individual trophies and there will be individual trophies for plays on a picked Tournament All-Star team.

There will also be team trophies for the winning and runner-up teams and trophies for the tournament batting and homerun champs.

This competition has been a favorite in previous years and eager fans can await another exciting tournament this year during the seventh annual Farmington Founders Festival.

HOSPITALITY — The Farmington Kiwanis Club will have a Hospitality Booth in the Downtown Farmington Center area during the Festival so alumni of Farmington Senior High can find the location of the Falcon's Nest to visit with former classmates. Shown with the poster are Al Boring, Kiwanis president, and Jackie Ansteth, business manager of the "Roll Call," FHS yearbook. (Evert photo)

Alumni Asked To Roost In Falcon's Nest

A large gathering for alumni of Farmington Senior High is being planned for the three days of the seventh annual Farmington Founders Festival, July 29, 30, 31.

A mysterious Falcon's Nest will be located someplace in the downtown Farmington area where FHS alumni can gather and socialize during the three days of the Festival.

The drop-in center is a special project dreamed up by the Farmington Kiwanis Club as a feature for its involvement in Festival days.

The Kiwanians will man a hospitality booth during the Festival where Farmington Senior High alumni can come to register and be told the location of the Falcon's Nest.

After registering at the hospitality booth, the alumni can then drop-in at their leisure to the Falcon's Nest to renew acquaintances with old classmates.

The hospitality booth will be located in the downtown Farmington Center in front of the barber shop which is near the Dairy Queen on Grand River.
