## Committees Assigned Trustees

FARMINGTON Education trustees have been assigned their committee work for the coming school year by Richard Peters, board president.

Mrs. Elizabeth Brennan, newly-elected trustee, has been appointed the board's representative to the Farmington City Council.

Trustee Aldo Vagnozzi has been named representative to Farmington Township board meetings. Both will attend as many meetings as possible to keep the school board informed of activity in the city and township.

THE BOARD has expressed its desire that the city and township send representatives

to school board meetings to help improve communication between the three governmental units.

Assigned as members of the board's curriculum committee by Peters are: Vagnozzi, chairman; Mrs. Kathryn Stirling; and Mrs. Brennan.

On the safety committee will be Mrs. Brennan, chairman; Mrs. Stirling and Dr. Mervyn Ross who has recently been appointed to the board to fill the vacancy caused by the sudden resignation of Gary Lichtman.

MEMBERS of the board's finance committee are trustee Kenneth Perrin, chairman; trustee Ronald Emmitt and Mrs. Brennan.

The public relations committee consists of Mrs. Stirling, chairman; Vagnozzi and Dr. Ross.

Building and site committee is made up of Peters, chairman; Perrin and Emmitt. The policy committee is chaired by Emmitt with Perrin and Vagnozzi as members.

THE BOARD'S representative before legislators in Lansing will be Vagnozzi and Perrin has been appointed liaison man with the Oakland County Intermediate School District.

Emmitt has been named representative to the Farmington Area Recreation Commission (FARC) and Peters to the Farmington

Area Advisory Council (FAAC).

Working with the Oakland County Vocational Center will be Mrs. Stirling.

Assisting Peters as board president are: Perrin, vice president; Mrs. Stirling, secretary; and Emmitt, treasurer.

## Police, Fire Depts. On Display

FARMINGTON Township's police and fire departments will be very active during the Founders Festival in Farmington with displays and special events on all three days, July 29, 30, 31.

The police department will have a display on Thursday and Friday at Demery's Shopping Center, 12 Mile and Farmington Rds.

The display will be on narcotics and a packet of literature giving drug information will be distributed.

The fire department will have a display all three days with a special feature on Saturday at 2:30 p.m. when firefighters will simulate rescue of a person trapped in a wrecked automobile.

Firemen will cut into a wrecked car at Demery's to show how rescue operations are handled at the scene of an accident.

At 3:30 p.m., Saturday, township volunteer firefighters will stage a water battle at the National Bank of Detroit branch parking lot at 12 Mile and Farmington Rds.

The police will give a special pistol marksmanship exhibition Saturday at noon, 1:30 p.m. and 3:30 p.m. at the department's pistol range behind Star Cutter at Gull and Grand River. The narcotics display will be the pistol range on Saturday.

## School Tax

Continued from Page 1A

11. Money for maintenance services and supplies would be cut by \$75,000 instead of the \$250,000 cut of the current "austerity" budget.

12. Funds for repair and replacement of worn and damaged buildings, grounds and equipment would be cut by \$20,000 instead of the "austerity" budget's \$50,000 slice.

13. Allocation for such miscellaneous services as in-service training and student activities would be reduced by \$10,000 instead of the \$61,830 of the "austerity" budget.

APPROVAL OF the 3.5 mills in added revenue will allow expenditure of \$1,000 per student by the Farmington district, Dr. Smith said, a figure which "other comparable districts reached over two years ago."

A breakdown of funds outlined by Dr. Smith showed estimated revenue without the 3.5 mills at \$15,664 million. Revenue from the 3.5 mills would add \$1,123 million for a gross revenue of \$16,787 million. Subtraction of last year's \$85,970 deficit, would have a net revenue of \$16,691 million for an anticipated 16,700 student enrollment.

## Union Supports Early Pay Pact

The union leadership, representing Farmington Schools faculty commented this week that the union hopes to complete negotiations before the millage election Aug. 23.

THE SCHOOL district has set a special election on Monday, Aug. 23, for a proposal seeking 3.5 mills (\$3.50 per \$1,000 equalized valuation) for one year.

"We feel it is necessary to make a statement because of the many inquiries and apparent misunderstandings which have come to our attention," says Robert Neuhauser, chief negotiator for the Farmington Education Association (FEA), sole bargaining agent for the district's teachers.

The FEA insists on immediate, intensive bargaining, Neuhauser says, to arrive at a contract settlement before the millage vote.

"We are and have been willing to meet any time. There is no problem that we can see which prevents a settlement based on the 3.5 proposed mills."

"We are convinced that a teacher contract settlement is an important variable in the district's ability to pass a millage vote. Whether it is a valid issue or not, enough people consider a contract settlement an issue that we must consider it very important."

"We have not and probably would not take any position as to whether the election should be canceled if a settlement is not reached," added Neuhauser.

"The cancellation is a board decision which should not be made this far in advance. We would consult with the board, if requested, but this decision

is not within the scope of our responsibilities."

**NOTICE**

All interested citizens are advised that the Michigan Department of State Highways is proposing a change to the plans for Northwestern Highway at the Orchard Lake Road interchange from those displayed at the public hearing held October 13, 1966.

The proposed change includes the addition of a ramp in the northwest quadrant of the interchange. This ramp will provide direct access from southbound Orchard Lake Road to Northwestern Highway in either direction. The addition of the ramp will require the acquisition of right-of-way from seven additional properties along the west side of Orchard Lake Road north of Northwestern Highway. The right-of-way for the remainder of the interchange will remain as presented at the public hearing.

Under provisions of federal law, any citizens who would be affected by the proposed change may request in writing that a formal public hearing be held, concerning the social, environmental and economic effects of this proposal.

Such a written request should be mailed to G. Robert Adams, Public Hearings Engineer, Michigan Department of State Highways, State Highways Division, Drawer K, Lansing, Michigan 48904. The request must be received on or before August 20, 1971.
