WEATHER

If you visit Detroit or vicinity some sunny day in May and wish for a little cooler weather, wait about five or ten minutes and your wish is bound to be granted.

The weather changes so often in this area that you lose all track of the seasons.

It will be so cold in the morning some days, people will bring out their winter clothes they had packed away; and then in the afternoon it will become so warm they want to change to spring clothing.

Why is this? What is causing the weather to be so unsteady of mind?

One day it rains; the next day it is so warm you nearly roast; the next day it snows or hails; and then again it turns warm.

When you get out of bed in the morning and look out the window you see how bright and green things are and how nice and sunny it is. You dress in your new spring clothes and go out into the warm balmy air, feeling "fit as a fiddle."

You come home in the afternoon looking like Old Man Gluck with your coat collar turned up around your ears to keep out as much of the cold sleet and wind as you can.

The elements must be at war, I guess. Which will win? I hope we don't have winter in place of summer. We have waited for summer so long I think we deserve to have it—we have it coming to us, don't you think so?

ART CLASS NEWS

The Art class is having a very enjoyable time finger painting. Many very interesting pictures are made with the fingers, the side and palms of the hand. They use glossy paper, wet the top of it thoroughly and then spread the finger paint on it. After the paint is on the paper the student spreads around as he wishes. In this way the design is made.

BAND RATES HIGH

The Farmington High School band is very proud of the ratings they received at the State band and orchestra festival recently at Ann Arbor.

They were scheduled to play at 8:00 o'clock and Farmington was the first band to play. They played at Waterman Gymnasium.

They were very fortunate in rating in third division. They did very well considering the bands they had to compete with. Other "B" class bands competing were Clawson, Birmingham, Grand Haven, and Traverse City. Each band played a required number, "The Call of Bagdad," and two other numbers.

Farmington competed in the Southeastern Michigan contest against two bands and won fourth place. Then went to the State contest and competed against more bands and larger ones and won third division.

SOLDIERS MAKE POPPIES TO HONOR WAR BUDDIES

A short twenty years since the World War, to us the active living. A million years in agony and agony lives to the massed, maimed and wounded. The war dead have gone to their well earned rest, the uninjured have adjusted themselves to civil life but the injured must shoulder their burden and "carry on."

Although doomed to spend their lives under medical care, many confined to a hospital cot, the valiant hearts of these war victims inspire their crafty fingers to produce work of art from bits of wire, colored cloth and paper. Thinking of their dead buddies, they fashion the POPPIES of FLANDERS FIELDS in their memory; and so well do they form these replicas that they need but the breath of life to bloom again in Flanders Field among the thousands of crosses that stand in memory of our heroic dead.

Wear a poppy May 20 and 21. Honor the dead and aid the living. Your poppy honors the war dead and furnishes employment for the disabled living. Every penny of your contribution will go into the American Legion and Auxiliary welfare funds, to be expended in behalf of needy veterans and families of veterans during the coming year.

Ten million patriotic Americans will wear a poppy. Wear yours proudly, for you and the American Legion will do this job and do it well.

City Ball Team To Play 2 Games This Week End

The Farmington Merchants ball team will play two games on the Farmington field this week end. On Saturday they meet the Cassin club at 2 o'clock and on Sunday at 2:30 the Whitehead and Kales team of River Rouge in an inter-county league contest.

Last Sunday's game with the Ace of Clubs was rained out. The team is particularly anxious to win Sunday's River Rouge tilt to offset the 4 to 0 shutout imposed on them by Inkster two weeks ago. The Merchants travelling team will go to Novi Sunday to meet the Novi Merchants. A return game will be played at a later date. On May 28 the travelling nine will meet the Michigan Normal College nine at Ypsilanti.

The sea wall of Treasure Island, site of San Francisco's 1939 Exposition at San Francisco Bay, rises 14 feet above the high tide level.
