

Wouldn't you really rather have the money?

We are thinking about all those useful but idle articles stored away in closets, attics, basements and garages in so many homes. These things have value to other people even though you never use them. Wouldn't you like to have the money you can get for the articles you never use?

Take a quick inventory of the unneeded items in your household. Then call the OBSERVER CLASSIFIED office at 522-0900 and place a want-ad to sell them. The cost is low and the response is fast. And the money you will get . . .

Well, maybe you will want to use it to buy that second car your family has been needing.
