UNIFIED FOR Economy

One of the many advantages of our membership in the Bell System is the substantial saving to every customer of this Company . . . a saving that grows directly out of the centralization made possible by the Bell System.

For example, we get our equipment from the Western Electric Company, manufacturing unit for all Bell Telephone Companies. This assures us of the finest standardized equipment at a lower cost than we could buy it elsewhere.

Instead of conducting our own research department, we pay a fraction of the cost of maintaining the centralized Bell Telephone Laboratories, "Home of Telephone Progress." In this way we have the use of the improvements developed by a complete research program which no one associated Bell Telephone Company could afford to maintain.

This efficiency . . . avoiding wasteful duplication . . . is one reason why your telephone service is better and costs less than any other telephone service in the world.

MICHIGAN BELL TELEPHONE COMPANY

You are invited to listen to a new radio program, "Here's Your Party" presented at 6:30 P. M. each Tuesday, Thursday and Saturday night over WXYZ and the Michigan Radio Network.

CHURCHES

All notices for this column must be in the Enterprise office not later than Tuesday at noon.

Salem Evangelical Church
 Rev. Carl H. Schultz, Pastor

Community Church
 West Point Park
 Rev. O. J. Lyon, Pastor
 10:00 Sunday School
 11:00 Preaching Service.

Eighth Church of Christ Scientist
 Grand River Ave. at Evergreen Rd
 Detroit, Michigan
 "Doctrine of Atonement" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, April 16.
 The Golden Text (Romans 5:11) is: "We also enjoy in God through our Lord Jesus Christ, by whom we have now received atonement."
 Among the Bible citations is this passage (John 3:16): "For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."
 Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 333): "Christ expresses God's spiritual, eternal nature. The name is synonymous with Messiah, and alludes to the spirituality which is taught, illustrated and demonstrated in the life of which Christ Jesus was the embodiment."

Smallpox Threatens Center of State
 The most serious type of smallpox experienced in this state in many years threatens many counties in Central Michigan as the result of exposure of high school basketball teams and spectators at a recent tournament at Mt. Pleasant, the scene of an extensive smallpox outbreak, the Michigan Department of Health warned today.
 With reports of new cases already indicating the spread of the disease in many communities which sent representatives to the tournament, the State Health Department Friday marshaled its forces to prevent what may develop into an extensive epidemic. Local health officers have been notified of the 16 teams exposed to the disease. Dr. Don W. Gudmund, state health commissioner, declared. These officials are now taking steps to prevent the spread of the smallpox in their communities. Additional supplies of smallpox vaccine are being shipped to these areas to aid in the vaccination campaign.
 Ample notice of change of address should be given when mailing. Notice should be given before changing it possible.

What You Want In the WANTADS

Drennan's Band Obtained For Prom

Red Drennan's orchestra will provide the music for the annual Senior Prom of Farmington High School which will be held at the Dearborn Inn, Saturday, April 22. Mr. Drennan's band is well-known throughout Michigan, having played at many college affairs and functions.

The class of '39 are trying to do the success which marked their J-Hop last year at Oakland Hills Country Club. They believe that

the larger ballroom of the Inn with its fine floor and beautiful furnishings will be a perfect background for Red Drennan's music. Tickets may be obtained from any member of the class.
 I have never been able to conceive how any rational being could propose happiness to himself from the exercise of power over others.
 Thomas Jefferson.

FIRST TELEVISION PICTURE

NEW YORK—Amos 'n' Andy, famed blackface comedians, made television history at the New York World's Fair when they played the stellar roles in the first experimental television pickup of a commercial radio program. This is how they appeared on the television screen. Incidentally, that's Amos on the left. Later Mr. Whalen was interviewed on the national broadcast of the comedians.

Soil Treatment Aids Corn King

LAFAYETTE, IND.—Producing 151 bushels of corn per acre and winning the title of Five-Acre Corn King for the third time in the past 25 years was simply a matter of improvement, according to A. C. Brown, of Ripley County, Ind., who accomplished this amazing feat.
 The eight-acre field on which Mr. Brown's championship yield was produced was originally "rich land" and is now classified as Clermont silt loam, which is not considered productive corn land because of poor drainage, high acidity and low fertility.
 Mr. Brown overcame these handicaps by careful surface drainage, laying out the fields in eight row lands with a drainage furrow on either side. He applied seven tons of limestone per acre to the field in the past 15 years and as a result obtained some excellent stands of red clover.

A. C. BROWN
 No. 1—was planted two weeks later than normal because of wet weather.
 Mr. Brown won the state corn yield championship in 1933 and 1935. The runner-up in the five-acre contest was Ralph Heileman of Bartholomew county, Indiana, champion in 1937, who placed second with a yield of 147.3 bushels per acre.

After Dark!!... by Rice

ARE YOU EVER BLIND? WELL, YOU'RE CLOSE TO IT MANY TIMES IF YOU DRIVE AT NIGHT

FOR YOUR EYES ARE LIKE A CAMERA

IN THE DARK THE PUPIL OF THE EYE IS WIDE OPEN—STRAINING FOR LIGHT

SUDDEN GLARE CONTRACTS THE DILATED PUPIL IN LESS THAN A SECOND.

GLARE BLINDNESS!

GLARE GONE, IT TAKES THE PUPIL SEVERAL SECONDS TO OPEN AND AGAIN ADAPT ITSELF TO DARKNESS—IN THAT LAPSE YOU ARE PARTIALLY BLIND.

DRIVING AT NIGHT WITHOUT SAFETY LIGHT

1. REDUCE SPEED
2. USE LOWER BEAMS WHEN MEETING OTHER CARS
3. FOLLOW RIGHT EDGE OF ROAD
