Some specimens of singing sand retain their "musical" property after being kept in cans, bottles or sacks for years, whereas other specimens completely lose it. Two investigators found that nearly all samples, when shaken or rubbed together for a considerable time, gradually lost their musical poerery until it fanily disappeared completely.

Detsford Tavern will be the seem of the annual Farmington High School J-Hop, Friday, May 19. The Junior class dance committee has thought it advisable to limit the party to 100 couples because of the size of the floor. With this limitation on tickets and the lure of Don Hoffman's music it is expected that there will be a great demand for the tickets.

The J-Hop held last year at the Oakland Hills Country Club was one of the best parties of the sear-son and this year's class hopes to maintain this tradition. Tickets will be on sale after May 15 to the general public.

It was Kipling who quipped, " A woman is only a woman; but a good cigar is a smoke." With none of the fear and trembling that should attend an extension of that master's words, we would like to say that for the same price as a good smoke you can purchase a panoramic view of the life in this community.

How else but through the columns of The Enterprise will you obtain accurate information on such subjects as the City and Township government; the State and national government as they affect the local scene through the WPA, PWA and such agencies; the school system; social and fraternal affairs here, and last, but not of least importance, the values being offered by your local merchants?
