Scouts Scour Industrial Park

FARMINGTON
Members of Farmington Boy Scout Troop 179 of Longacre Elementary School hiked to the Farmington Freeway Industrial Park at 10 Mile and old Grand River at 1-96 on Aug. 21 and spent the entire morning picking up papers, rubbish and other debris.

Troop Leader Jack Brunette assembled his group of about 30 boys at the park entryway on 10 Mile and Industrial Park Dr. at 9:30 a.m. for a briefing by Dick Tupper, FFIP Association building and grounds committee chairman.

Arrest Man For Assault

FARMINGTON
A young man who forced two youths to drink beer with him at gunpoint has been arrested by Farmington Township police.

TOWNSHIP POLICE Chief Irving Yakes says Blackburn was arrested early morning on Aug. 22 and charged with felonious assault.

A 17-year-old boy from Farmington and 15-year-old boy from Brighton were hitchhiking shortly after midnight Sunday, police say, when picked up by Blackburn on 13 Mile Rd.

Blackburn told of having a handgun and shotgun with him in the car and then asked the boys if they had any money, police say.

Police say he stopped at a party store, took \$10 from one boy and purchased a case of beer.

He drove to a spot in the township and told the boys to begin drinking with him, according to police.

While they were drinking, the boys said, Blackburn would point his gun at them from time to time. They managed to slip away and call police.

Blackburn was sleeping in his locked car when police arrived, Yakes said.

The troop is hard at work hoping to earn an appointment to Mackinac Island as the governor's color guard next summer.

Members of the troop working Saturday included Bob Kleinschmitt, Jim Stagnauer, Brian Tupper, Ted Lickley, Bill Britton, John Dahlstrom, Steve Brunette, Jeff Milliken, Rob Austin, Fred Beattie, David Martin, Jim Gioia, Rick Gelazin, Fred Brunette, Jim Koval, Greg Couchois and Steve Bunting.

THE 250-ACRE industrial park, developed by Thompson-Brown in 1966, now houses nearly 40 industrial and commercial firms employing over 1,000 people. The park has its own Holiday Inn and service center along with a helipad which presently is being relocated on the grounds.

Last year, Gov. William Milliken (who presided over original ground breaking ceremonies during his tenure as Lt. Gov.) awarded FFIP the first Class "A" rating in the state's Certified Industrial Park program supervised by the Michigan Dept. of Commerce.

On Enterprise

FARMINGTON
Navy A/A Richard A. Diehr, son of Mr. and Mrs. Francis G. Diehr of 20832 Rockdale, Farmington, participated in the first night operation which simultaneously employed dual methods to refuel and resupply an underway aircraft carrier.

With the hazards of two ships steaming together at close refueling quarters intensified by South China Sea darkness, Diehr's ship, the nuclear powered attack aircraft carrier USS Enterprise, took fuel from the combat stores ship USS Sacramento by the familiar "highline" method.
