

**LOSEY CORNERS**

Due to the fact that the school is in the hands of decorators and the church building still incomplete the annual election for the Women's Aid was held at the home of Mrs. William Foster, Mrs. Robert Fredricks, who organized the Aid with seven members was again elected its president. Mrs. William Horio, vice-president, Mrs. Herman Benoit, secretary, and Mrs. William Foster, treasurer. After the business meeting closed a social hour was enjoyed. Fruit salad, tea biscuits and iced tea were served by

the hostesses, Mrs. Dixon, Mrs. Horio and Mrs. Benoit. The Brotherhood will hold their regular meeting Thursday instead of Friday because of the free pictures that are shown every Friday evening.

It was found to be impossible to hold the Vocational Bible study school as planned for August through lack of suitable quarters. Cement walks will be under construction at the school grounds making it impracticable to have the children on the grounds. These walks will be laid from Middle Belt road through to the school house making a safe and pleasant way much to be preferred to muddy roads or wet fields as last year.

The Girl Scouts start on their week at camp at Walled Lake, Saturday with their leader Mrs. Violet Dallas and her committee. Much credit is due Mrs. Dallas for the fine work she has done since the troupe was started a little less than two years ago.

News items are always welcome.

**A Buying Guide**

Before you order a dinner in a restaurant, you consult the bill-of-fare. Before you take a long trip by motor-car, you pour over road maps. Before you start out on a shopping trip, you should consult the advertisements in The Enterprise. For the same reasons!

The advertising columns are a buying guide to you in the purchase of everything you need—including amusements! A guide that saves your time and conserves your energy; that saves useless steps and guards against false ones that put S-T-R-E-T-C-H in family budgets.

The advertisements in this paper are so interesting, it is difficult to see how anyone could overlook them... fail to profit by them. Just check with yourself and be sure that you are reading the advertisements regularly—the big ones and the little ones. It is time well spent... always.
