Go Window Shopping

In Your Easy Chair

Relax for a moment and turn the pages of your newspaper. Let the advertisements help you to make your shopping plans. Do you need a dress, or a coat, on a hat? Perhaps a new blanket for a guest-room, some curtain material, or even a few new hots and pans for the kitchen? Of course, there are many things you want and need... but you may be letting many of them wait until you see in a store or a window exactly what you have in mind, at an especially alluring price. especially alluring price.

Those are the very things you will find in advertisements. Attractive articles, new and improved ones, prices that make quick action an economy. Think how many steps it can save you to hunt out these things, and find them, in comfort at home! If a special opportunity is offered, you'll know about it in time. When new articles are amounted, you can have them before they are the least bit out of date. And you can save hours of and asking, miles of steps—and money too!

These are but a few of the ways the advertisements in your newspaper can serve you. If you read them regularly, you are sure to grow wise in the ways of purchasing . . . and saving.
