COOL LIGHT IN A TUBE

Fluorescent lighting is increasing in popularity by leaps and bounds ... orie reason being that you get DOUBLE THE LIGHT for the same ount of electricity

amount of electricity. But fluorescent lighting is so new, and the de-mand for its og creat, that the average buyer is hewildered when he sets out to buy the proper futures: There are so many futures on the mar-ket, so many erroneous and exagestated elsims being made for fluorescent lighting, that it is not surprising to find incorrect applications ... with a complete disregard for the rules of good light-ing. As a result, the buyer is often disappointed with his fluorescent installation.

with his fluorescent installation. For your protection, and to help rou get your money's worth, a STANDARD has been set up by the Mazda lamp manufacturers to assure de-pendability and higt quality in. fluorescent first tares. These approved fartures (inf commercial styles for stores, offices, etcl) are called certified Fleure-Diers, and conform to rigid specifica-tions checked by Electrical Testing Laboratories. They are now being made by over 17 companies. When you by fluorescent fartures, insist on cer-tified Fleure-Disters- and look for the hele.
