THEODORE I. FRY SEEKS OFFICE OF STATE TREASURER

Theodore I. Fry, former state treasurer, again is the democratic nominee for the office of State Treasurer. First elected to that important office in 1933, Mr. Fry faithfully served the people of the state of Michigan for 6 years, through some of the most difficult periods of Michigan's history.

In an era when bond defaults were common, Mr. Fry purchased 25 million dollars of securities for the State Sinking Fund, none of which have defaulted.

Mr. Fry has the reputation of being a very capable and conservative businessman, and has always managed the office of state treasurer on that basis.

While in office Mr. Fry voted for all necessary financial assistance for the maintenance of the Public School System, and the prompt distribution of the Primary School Funds each year.

In the spring of 1939, Mr. Fry was appointed Trustee of the Red Motor Car Company and was subsequently elected Vice-President of the company after its reorganization.

Mr. Fry has served you and the state of Michigan faithfully, and merits your vote and support at the November 5th election.

COUNTIES TO GET AUTO WEIGHT TAX COLLECTIONS

The state highway department this week submitted to the auditor general for disbursement to county road commissions, apportionments of \$4,171,428.98 in automobile weight tax collections for the third quarter of 1940. The apportionment to Wayne County is \$1,241,935.02. Oakland County will receive \$186,403.64.

The collections, which represent proceeds from the sale of 1940 license plates by the secretary of state, showed an increase of \$300,912.98 over the corresponding period of 1939.

The highway department previously had announced distribution of \$14,879,484 for the first quarter of the current year and \$1,944,155 for the second quarter.

Collections are disbursed on a formula provided for by state law which requires that seven-eighths of the amount collected by each county, plus one-eighth of the remaining one-eighth collected in the state, be returned to individual counties. None of the money is retained by the highway department.

Floyd Nichols Honored At Church Reception

Floyd Nichols, for many years Treasurer of the Farmington Methodist Church, has recently resigned his position, and in his stead Grace has been elected.

Honoring Mr. Nichols, and expressing the deep appreciation of those who have been associated with him in this work, a reception was held at the church on Thursday evening. The community hall was prettily decorated with autumn flowers, and a very pleasant evening was enjoyed by the many people in attendance.

George Chappetta acted as Master of Ceremonies, and brief talks in the nature of reminiscences were given by Harry McCracken, Fred Bagnall Sr., Don Button, and Clinton Wilber. A brief letter written by Mrs. Ella Irish was read. The very fine work Mr. Nichols did in the building of the new church, and the part he has played in church affairs since was genuinely praised.

Rev. Delmore Stubbs made a few remarks, and Mr. Nichols also spoke. A male quartette of the Methodist choir gave some very fine numbers.

Ice cream, cake and coffee were served at the close of the reception.

WANTED:

Men and women voters from Farmington who are honest and fair, to vote for Dr. S. M. Lewis for coroner. That will include EVERY Farmington voter, because it is easy to see and believe that Southern Oakland County "should have a coroner TOO."

Every Farmington voter will WANT Northern Oakland County to have One coroner and Southern Oakland County the OTHER one.

Here's how you can do that. Cast one of your votes for your favorite Northern candidate, and then, (since you can only cast One vote for him) to insure his success, cast your OTHER vote for Dr. S. M. Lewis... the ONLY candidate, in either party, from Southern Oakland County.

GIVE SOUTHERN OAKLAND COUNTY A CORONER TOO

DR. S. M. LEWIS
