using the same characters, proves conclusively that America has a homespun heart. When Republic's latest film, "Grand Ole Opry," opens Sunday at the Civic Theatre, local movie fans will have an opportunity to find out just what the public taste demands—as evidenced by 60,000 fan letters weekly.

The "Grand Ole Opry" radio program, on which the picture is based, was born in the Tennessee hills. The actors and musicians on the program of this fifteen-year-old broadcast are actually farmers and backwoodsmen who, when Saturday comes 'round, hang up their dirty overalls and put on their clean ones; put their fiddles, banjos, jugs, washboards and mouth-harpers under their arms and head into town.

A rip-snorting Western picture, completes the other half of the double bill Sunday and Monday. It is George O'Brien's latest movie, "Triple Justice" and it is reported to be one of his best.

Sparkling with new songs, fast comedy and an array of colorful dances, the "Universal musical," "Argentine Nights," opens Tuesday at the Civic Theatre with the Sittz Brothers and the Andrews Sisters as its co-stars.

Never have the three comedians cavorted to more hilarious effect. Auspicious Debut

For the Andrews Sisters, famous swing trio who are presented for the first time on the screen, the picture marks an auspicious debut. In the same spectacular style of singing which has lifted them to favor on phonograph records, the radio and stage, the girls introduce four new songs, "Hit the Road," "The New Look," "Oh, He Loves Me" and "Rhuboogie," and register a definite hit. As an accompanying feature the Civic is showing a thriller of several years ago, "King Kong."

"QUICK AS A WINK" FOUND TO
BE 11/100 SECONDS

How quick is "quick as a wink"? That synonym for speed has now been timed, and it is just eleven hundredths of a second. The apparatus which timed it was developed in the Bell Telephone Laboratories to check the action of fast-moving mechanisms, such as tiny electric switches which go into action whenever one uses the telephone.

OPERATOR SENDS POLICE,
WHO NAB BURGLAR

Quick thinking on the part of Mrs. Donnie Mills, night telephone operator at Athens, Ga., led recently to the arrest of a burglar. When a call came through from a sandwich shop at 4:30 o'clock in the morning, Mrs. Mills became suspicious, as she knew that the shop closed around midnight. She called the police immediately and told them about the call, and then switched back to the shop and held the caller on the wire, under the pretense that she was trying to complete his call. When the police arrived they arrested a man who had broken in.
