

SC Sets Activities For Grote Inaugural

A weekend of special events will mark the inauguration of Schoolcraft College's second president, Dr. C. Nelson Grote, beginning Friday, Oct. 2, and will give the keynote address.

Dr. Grote officially assumed the presidency on July 1, succeeding Dr. Eric Bradner who had headed the college since its founding 10 years ago.

Prior to his appointment, Dr. Grote, 43, was the dean of applied science and technology at Morehead (Ky.) State University. His career in education includes high school teaching, an assignment with the state department of education in Kentucky, and 12 years as a professor and administrator at Morehead.

He lives in Livonia with his wife, Wilma, and their four children, Carol, 18; Janice, 16; Mark, 7, and Steven, 5.

THE PRESIDENT of Morehead, Dr. Adron Doran, will join Dr. Grote for the inaugural ceremonies at 2 p.m. Saturday, Oct. 2, and will give the keynote address.

A distinguished educator, Dr. Doran has been president of Morehead for 17 years and won the 1971 Horatio Alger award. He was appointed by former President Lyndon Johnson to the National Advisory Council on Education.

During the ceremonies in the college's Physical Education Building, Dr. Grote will be presented the symbol of his office by Mrs. Jane Moehle, outgoing chairman of the Board of Trustees. The symbol is a newly-created medallion designed especially for the inauguration.

THE WEEKEND of events complementing the inauguration will begin with a smorgasbord from 5 to 7 p.m. Friday, Oct. 1, in the Waterman Campus Center.

Assorted foods will be prepared by the Culinary Arts Department and reservations can be made by calling Robert Breithaupt, head of the department, at the college. Tickets are \$4 for adults, \$2 for children between six and 12, and no charge will be made for children under six.

A free concert by "The Primo People," featuring entertainment for the entire family, will be given at 8 p.m. Friday in the college's main gymnasium. A social will follow the concert in the campus mall unless the weather is bad in which case it will be moved into Waterman.

A breakfast will be held in the Waterman Center between 8 and 10 a.m. Saturday with a \$2.50 admission. It will be followed by an inaugural luncheon at 12 noon with admission by invitation.

THE INAUGURAL ceremonies will take place Saturday afternoon and a reception will be held at 4 p.m. These events are open to the public.

Dr. David Pontiz, president of Washtenaw Community College, will preside at the installation ceremonies. Among the guests will be former President Bradner; Dean Emeritus Lois Waterman; Rev. David Britz, chaplain of Newman House; the college trustees and vice presidents.

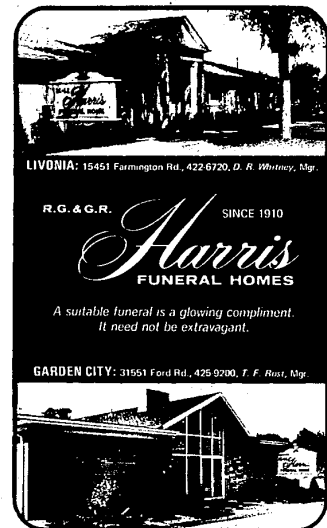

Four student senators will

march in the academic procession including Jeanette Antonelli, Shirley Byler, Susan List and Melody McClelland.

The college's orchestra will make its public debut in the procession and recessional anthems directed by Richard Saunders. The Schoolcraft Chorus will also perform under the direction of Bradley Bloom.

"YOUR A GOOD Man, Charlie Brown" will be performed by the Schoolcraft Drama Club at 8 p.m. Saturday in the Little Theatre of the Liberal Arts Building. Tickets are \$1.50.

The weekend will wind up with an informal brunch scheduled from 9 until 11 a.m. Sunday, Oct. 3 in the Waterman Center. Tickets are \$3.

Halloween Suggestion

EDITOR: The past few years have brought new problems regarding our children's safety on Halloween. We are all greatly concerned and have tried to think of a solution to let them have their fun begging but eliminating the problem concerning unsafe treats.

I would like to suggest instead of a penny candy that you give your beggars "a penny". After Halloween take your children to their favorite store to choose the candy they like. Needless to say, this would also eliminate all the candy wasted because they don't like it or because you throw it out "just to be safe".

If you like this suggestion, please pass the idea on. MRS. RICHARD JACKSON, Livonia
