CIVIC THEATRE
PRESENTS
SMASH HITS

Coming to the Civic Theatre Friday and Saturday is the new Kay Kyser picture, "You'll Find Out," featuring with Kyser, Peter Lorre, Boris Karloff and Bela Lugosi. The setting of the story is a gloomy old castle in an isolated spot on Long Island. Inside the castle are many priceless treasures, collected by the late owner, whose daughter, Janis, played by Helen Parrish, lives here with her aunt. The aunt is surrounded by three strange characters who plan to kill the girl and through spiritualism, extract money from the aunt.

The fakers are exposed, however, when Kay Kyser and his band are brought to the castle, by their manager, who is in love with the girl. The occasion is her 21st birthday party. Everything turns out well, and Kay and his band return to the studio happy in the thought that they have foiled a dastardly plot.

The companion picture is "Charter Pilot," with Lloyd Nolan, George Montgomery, Lynn Bari and Arlene Whelan. The story concerns an air pilot, played by Nolan, who gives up flying to satisfy his girl friend, Marge. Miss Bari. Following dispute and a series of events in Honduras, he decides to return to flying. After a flight with Marge he flies to Honduras, there meeting Raquel, who is in love with his best friend, but who serves to make Marge jealous. However all the disturbances are

APPLES SHIPPED
INTO MICHIGAN
FROM CANADA

Michigan apple growers in recent months have experienced new problems in the marketing of their apples because apples from our neighboring country of Canada have been shipped to this area. At the present time, it is estimated that there are nearly a million bushels of apples in storage in Michigan.

The Fruit Sponsors of Southwestern Michigan, in order to promote the greater use of apples which can truly be called a health food, last Saturday inaugurated "Michigan Apple Appreciation Week" during which people are encouraged to eat as many apples as possible. They say it is two-fold—one to help build greater health among the citizens of the state, and the other to help the apple-growers of the state to move their fruit while it is still of good quality.

In the National Defense program of the country, apples should be recognized as one of the important foods to be used for our men in training. Colonel A. J. Zerbee, stationed at the Michigan State College in charge of the R.O.T.C. training program, cooperated with the representatives of the Fruit Sponsors of Michigan by greeting them with some of his modern equipment and some of the splendid young men taking military training under his supervision.

On Wednesday and Thursday, "Hired Wife" with Rosalind Russell and Brian Aherne and the amazing new James Roosevelt release, "Pastor Hall" will be shown, along with a color cartoon. These are merchants' family nights, and admission is only 10c with merchant's coupon.

Also showing is a Walt Disney color cartoon.

COLLECTORS TAKE TO METER
STAMPS ON PHONE COVERS

The American Stamp Journal reports that slogans printed by postage-metering machines on envelopes in which telephone bills are mailed are becoming very popular with collectors. These telephone slogans have a variety that is pleasing to the collector, who also is aided by the fact that they come on small covers. Some collectors are making up a specialized collection of the telephone meter slogans.
