Dear Friends:
This office, and the writer personally, consider it a great privilege to endorse JOHN J. SCHULTE, JR., and request you to elect him as your Municipal Justice of the Peace on April 7, 1941. Judge Schulte has been of valuable assistance to this office and to the County of Oakland, both in his capacity as a one man grand jury and in other criminal matters which have come under his jurisdiction.

He has a fundamental and keep knowledge of both criminal and civil law, and in the writer's capacity as a practicing attorney, assistant Prosecutor and Prosecuting Attorney, he has never known of a case appealed from his court where the decision he has made has ever been upset or reversed. His decisions at all times have been fair and impartial, with justice to all who have come before him.

He has another attribute which all judges should have, and that is an unruffled and judicial temperament. His defeat would not be only a loss to Farmington, but to the County, State and Nation.

Therefore, a vote for him will be greatly appreciated.
