AT THE REDFORD THEATER

It is not surprising that 20th Century-Fox is reported to have gone "all out" on the production of Zane Grey's "Western Union." for contained in this great story of the West by the West's greatest story-teller are all the elements which make for the series.

ments which make for top screen fare.

Set in the days when ginaha was a boom town and Nevida, a territory, the story has lighting, intrince, Indians, strucple, against the elements and man-made obstacles, romance—everything; that makes for thilling spectacular relations to the screen of the screen flake, the duffish but agreessive tenderfoot on his first trip West, the studio, obtained his screekes from Metro Goldwyn Mayer, It was a happy choice, for Young kinds from Metro Goldwyn Mayer, It was a happy choice, for Young kinds from Metro Goldwyn Mayer, It was a happy choice, for Young kinds from Metro Goldwyn Mayer, It was a happy choice, for Young kinds from Metro Goldwyn Mayer, It was a happy choice, for Young kinds was given to the forefront in the short with marksmanship; Joung should add to his altredy temendous popularity.

More difficult to cast was the

the important task of scouting for the "Western Union" expedition through the country of the savage Sioux. Zane Grey's own words were recalled while executives were considering the problem, and as Grey had long held that Randolph Scott exemplified "the screen's outstand-ing Westerner," Scott was signed.

should add to his already temendons popularity.

X-RAY CAMPAIGN HELPS COMBAT TUBERCULOSIS SPRING BREAK-UP OF ROADS IS UNUSUALLY BAD

To help spread the Early Diagnosis Campaign promoted this month throughout the state and nation by tuberculosis associations, the April issue of the Wolverine Health Bul-

issue of the Welverine Health But-letin released recently to 6,887 schools in the state by the edicin-ican Tuberculosia Association in-cludes an explanation of the var-ious ways chest X-ray examina-tions can be made.

An attempt is being made to reach adults and children; like in all walks of life in this of mpatism which arges tuberculin kids and chest X-ray pictures for early dis-covery and early treatment of tu-berculosis.

Studies of admission to same

With the retreat of winter weather this week, State Highway Department officials reported gravel and blacktor roads had suffered extensive damage as a result of the annual spring "breakup.". State Highway Commissioner G. Donald Kennedy pointed out that unfavorable conditions last fall, when freezing weather followed heavy rains, was directly responsible for the wide-spread damage. Kennedy added: "The spring season is always a headache for highway men, but this year conditions are unusually bad. A survey of roads indicates the presence of the season of the

berculosis.
Studies of admission to sanatoriums and tuberculosis hospitals in the nation show eight out of ten entering are in the advanced stage. Last year 1.758 persons in Michigan died from tuberculosis, which

toriums and tuberculosis hoppitals in the nation show eight out of tentering are in the advanced stage.
Last year 1.758 persons in Michisa decrease from the 1939 figures and efform tuberculosis, which is a decrease from the 1939 figures cases of the disease reported in the approximately 12,000 cases were inknown.

In order to find tuberculosis in this early stages and present deaths from the disease, a nation-wide educational program was organized as the Early Diagnosis Cauppaign in 1928. It has steadily frayen since then first year until in 1940 more than eight million pieces of printed matter were distributed during the anaptagra to approximately 50 million Americans of 15 years of age and over.

LOW ROUND TRIP FARES

PAVED ROUTES

It isn't too early to plan a glorious summer vacation in Michigan. Let a Blue Goose agent offer suggestions for an oll-expense ,week-end trip or a month long outing.

(Coaches may be chartered for group trips at low rates.)
