# U.S.-16 TO GET NON-SKID SURFACE NEAR COUNTY LINE

When broiling meats, best results will be obtained by turning the meat only once. Broil on one side until the steak or chops are ulcely browned, season and turn. Then broil on the other side, season and spread with butter. Serve on a hot unstern with appropriate carniers. spread with butter. Serve on a hot platter with appropriate garnish. Length of time for brolling depends on the distance of the meat from the flame, the thickness of the meat and individual tasts—whether you like meat rare or well done.
