Feeding the deer at Ogemaw state game area headquarters near West Branch is a wildlife display always on schedule, as the whitetails come out of the woods as early as 5:30 in anticipation of their evening meal at 6:15. Above, game area superintendent Harold Tubbs makes a deer reach high for a handful of grain, and gathers half a dozen of the wary creatures about him as he fishes emptying a pailful. The deer will poke their noses into car windows for such tidbits as soda crackers with salt on them. Little folks also enjoy having the friendly deer eat out of their hands. Besides 2,000 acres of game refuge for the herd of semi-tame deer, the game area includes 4,522 acres of public hunting ground.

Notes

There will be a District meeting of the 17th District in Farmington, at 8 o'clock in the evening, September 8, at 8 o'clock in the Groves-Walker Post 346 Legion Home.

The meeting will be called to order by the newly elected District Commander. This will be the first official meeting of the District for the year 1942. W. B. Gambee, the district commander, is a member of the Groves-Walker Post of Farmington and it is hoped that there will be a considerable turnout to do him honor. The new adjutant, Leon L. Church, is also a member of Groves-Walker Post.

A number of the members of nearby Posts in the 17th District attended the Gala Days Carnival, among them Mr. and Mrs. Mason Gibson of Redford, Detroit Post. His Honor Ernest R. Baldwin of Berkley and the newly elected Commander of the City of Farmington Post, William E. Kramer both assisted in helping to make the Gala Days program a success. Their help is greatly appreciated by the members of the Groves-Walker Post. Mr. O'Neill, sergeant-at-arms of the Redford Township Post, also helped to make the occasion a success.

Mrs. Mason Gibson, soloist for the Department of Michigan of the American Legion, sang "God Bless America," and was joined by the entire crowd in the chorus. The response was tremendous.
