TO GIVE  
FREE COSMETICS

Another one of the Dr. Kildare  
pictures appears Friday and Satur-  
day at the Civic Theatre, along  
with "In Old Cheyenne."  
"The People vs. Dr. Kildare"  
again bring Lew Ayres, Lionel  
Barrymore and Laraine Day to the  
screen in the popular Kildare  
series. Dr. Kildare and his fiancée,  
Mary Lamont, witness an accident  
in which an ice folles girl is in-  
jured. The doctor performs an  
emergency operation, following  
which the skater's leg is found  
to be paralyzed. She sues Kildare,  
and during the trial it is brought  
up that an empty whisky bottle  
was found in Kildare's car. Dr.  
Kildare runs down the mystery,  
proving that the empty bottle was  
thrown into his car by the driver  
of the truck. Dr. Kildare, aided by  
Dr. Gillespie and a staff of experts,  
recovers, rejecting the ice folles  
girl. Dr. Kildare stands vindicated  
and triumphant.

## American Legion

**Notes**  
By Frank W. Lowrie  
Publicity Chairman, 17th District  
Department of Michigan

The Groves-Walker Post were  
hosts to the first meeting of the  
1942 17th District meeting. The  
meeting was held to order by W.  
B. Gambes, District Commander.  
Mason Giberson, chairman of the  
17th district membership commit-  
tee gave a very interesting and  
constructive talk on how to in-  
crease the membership in the Dis-  
trict.

All Legionnaires who missed this  
meeting passed up the opportunity  
of a good time and a chance to  
acquaint themselves with mem-  
bers of other posts throughout the Dis-  
trict. Plans are under way for one  
of the greatest years enjoyed by  
the Legion Posts.

The members of the Groves-  
Walker Post wish to state at this  
time that they are not responsible  
for the Merry-go-round and tennis  
wheel and other rides playing on  
the site of the Gala Days program,  
after Monday night, September 1.  
On Thursday evening, when it was  
called to their attention, a commit-  
tee was appointed who prevailed  
upon the owner of these rides to  
discontinue operation and close up.  
It is with regret that this contin-  
uous operation caused considerable  
annoyance to the owners of homes  
in the vicinity of this site.

Plans are under way for the in-  
stallation and installation ceremony  
to be held in the High School Audi-  
torium. The public is cordially in-  
vited to attend this event. Refresh-  
ments will be served, and there  
will be dancing after the installa-  
tion.  
W. B. Gambes, commander of the  
17th District, through his Ad-  
jutant Leon L. Church, invites all  
Legionnaires to attend the next  
District meeting at Ferndale, City  
of Ferndale Post, Friday, October  
4. Dinner will be served at 7:00 p.  
m.

Every Thursday at 12 noon, the  
17th District have a round table  
luncheon at the Legion Club, De-  
troit. All 17th District members  
are invited. Let's get together.

Mrs. Leon L. Church, upon re-  
turning from her vacation from the  
South, was very much surprised  
to learn she had won the \$50.00  
prize. From the information the  
writer has, Mrs. Church will retain  
the fifty silver dollars to com-  
pensate for the many evenings she  
spends alone, while Mr. Church  
is attending to Legion business.
