### P.T.A.

Mrs. E. Whelan. A comprehensive and constructive report on the Parent-Teacher Training School, held at Michigan State College in East Lansing on July 22 and 23, was presented by Mrs. McIntyre, who attended the sessions.

Mrs. Beals announced a meeting of Parent-Teacher District 6, to be held in Fort Huron on September 30. Mrs. F. F. Frank, district director, will preside, and the different phases of Parent-Teacher work will be discussed. It is hoped

that Farmington will be well represented at this meeting. All who are interested should call Mrs. Beals.

To familiarize the members of the organization with their committees, each committeeman and room representative, was introduced by Mrs. Beals.

The meeting was then turned over to Mrs. Moats program chairman, and the first thing on the program was a rousing session of songs, led by Shirley Walters, with Mrs. Kenneth Loomis officiating at the piano. This was followed by Mr. Danckel's excellent talk and the introduction of each member of the teaching staff.

Slips were distributed, on which each person wrote his name and office or teaching subject, then placed the slip in his lapel, making further introduction unnecessary.

Membership chairman Foster Stewart pointed out that Parent-Teacher membership is open to

anyone, and that all who wished to join the organization will be most welcome.

Cider and doughnuts were served.
