### Notes

Seen at the Pot Luck Dinner last Tuesday night, November 11, Amynta Day, Spence Hensley, Myron Carrier, Homer Disland, It was good to see you turn out and we only hope that you will continue to drop in on us at the regular meetings. There were about 80 at the Dinner and a real good time was had by all. Dinner was served at 7 p. m. and dancing until late in the evening.

Credit must be given to the Committees of both the Auxiliary and the Post members for the manner and good eats that were available. Katherine Carrier, Blanche Seebaldt and Ruby Bowerman were on the Auxiliary Committee. Carson Baldwin carried the coffee and the Post members and did a good job of it too.

It was rather disappointing that after all the hard work that went into assembling the pictures and speakers, that hardly anyone turned out to see and know just what your U. S. Navy is doing in the way of National defense. One would think that we had no interest in anything at all, but many thanks to those who did serve on this committee.

William Carpenter has been appointed Unemployment Chairman for the Groves-Walker Post. And already he has placed one man on his feet. Let's co-operate with him and see that everyone is taken care of. We have just learned that Stoud Riding is back home again after a few weeks in the Veterans' Hospital. Glad to see him out again, and hope that his recovery is complete.

Commander Niles states that his daughter Frances is slowly recovering from her illness. Commander Fordon Niles, Senior Vice Commander Walter Gillespie, Junior Vice Commander Carson Baldwin, Adjutant Frank W. Lowrie, Finance Officer Alfred Smith, and Chaplain Leon L. Church all attended a meeting at Redford Post, Redford, on Friday night.

As you know Mason Gibson, Commander of the Redford Post has not missed a meeting of the Groves-Walker Post for some time and it seems that he is almost a member of our Post. In fact he is in attendance more than some of our own members.

The Groves-Walker Post was on the air Saturday over WEXL at 1:30 to 1:45 p. m. W. B. Gambee gave a talk on neutrality, (turn to the front page for talk). It is due to the courtesy of the management of the radio station that we have this time every week for some post in the district.

Listen to Saturday, November 22 to Department of Michigan Commander Herman F. Luhrs of the American Legion. He has a message for you.

The Radio program over WEXL, Royal Oak is now on every Saturday from 1:30 to 1:45 p. m. District Commander W. B. Gambee has made two talks. The first one clarifying the so called Second A.E.F. and the second one Neutrality and the Legion stand on this issue. Saturday, November 22 at 1:30 p. m. Department of Michigan Commander Herman F. Luhrs will be heard. Turn on in, he has a message worthwhile listening to.

Luke Orton passes the word along that at the next 17th District meeting they are prepared to entertain the members of the 17th District in a manner that will be a stand-out of the year. A cabaret show after the meeting is in order. This is to be a joint meeting and they are hoping for a big turn out.

Well, some of the posts in the district are still turning in those new members, even though they are over the top. Remember in the past they are just getting started, and they have to date 29 members over their quota; and Oxford, with all those new members, well, the fighting 17th is still going, and justly so. Let's keep the ball rolling. Pontiac is preparing for the mid-winter conference and requests that all in the 17th district, if possible, make arrangements to stay home nights in as much as the housing problem shows a shortage on rooms. To the Posts in the 17th District do not be surprised of your Commander W. B. Gambee and his Adjutant Leon L. Church and Frank W. Lowrie, publicity director, accompanied by Frank Russell of the Redford Post, as well as your Vice Commander, Carson Gilderson drop in on you, because they are somewhere every night.
