**YOU CAN'T BUY
ORANGE JULIUS**
in bottles or cans!

The secret of an Orange Julius is its **FRESHNESS!** Preservatives are never added. They tend to alter true flavors.

We blend just-squeezed Orange Julius with our own exclusive ingredients and serve you a deliciously refreshing, tangy, cool, fresh drink.
If we bottled Orange Julius... it wouldn't be Orange Julius... because if it were any fresher it would still be on the tree.
