

# We're having a sale because we want the business.

Business is breezing along reasonably well. But we haven't reached the point where we don't need any more.

Right now at Osmun's you can get all-weather zip-lined coats by Clippermist. They're made of dacron and cotton in natural, navy and British tan. Regularly these coats sell for \$50. But now they're just \$39.90.

And \$135 Ronald Bascombe two-pant suits now for only \$99.90. They're made of 100% fine worsted and come in stripes, solids and plaids.

There's even a very special buy of famous make Arnel knit sport shirts in

solids, fancy patterns and geometrics. Usually you can get these shirts for \$13.95 but now at Osmun's they're only \$7.90 or 2 for \$15.

Or French Shrinker buckle and strap shoes that did cost \$39.95 for only \$29.90.

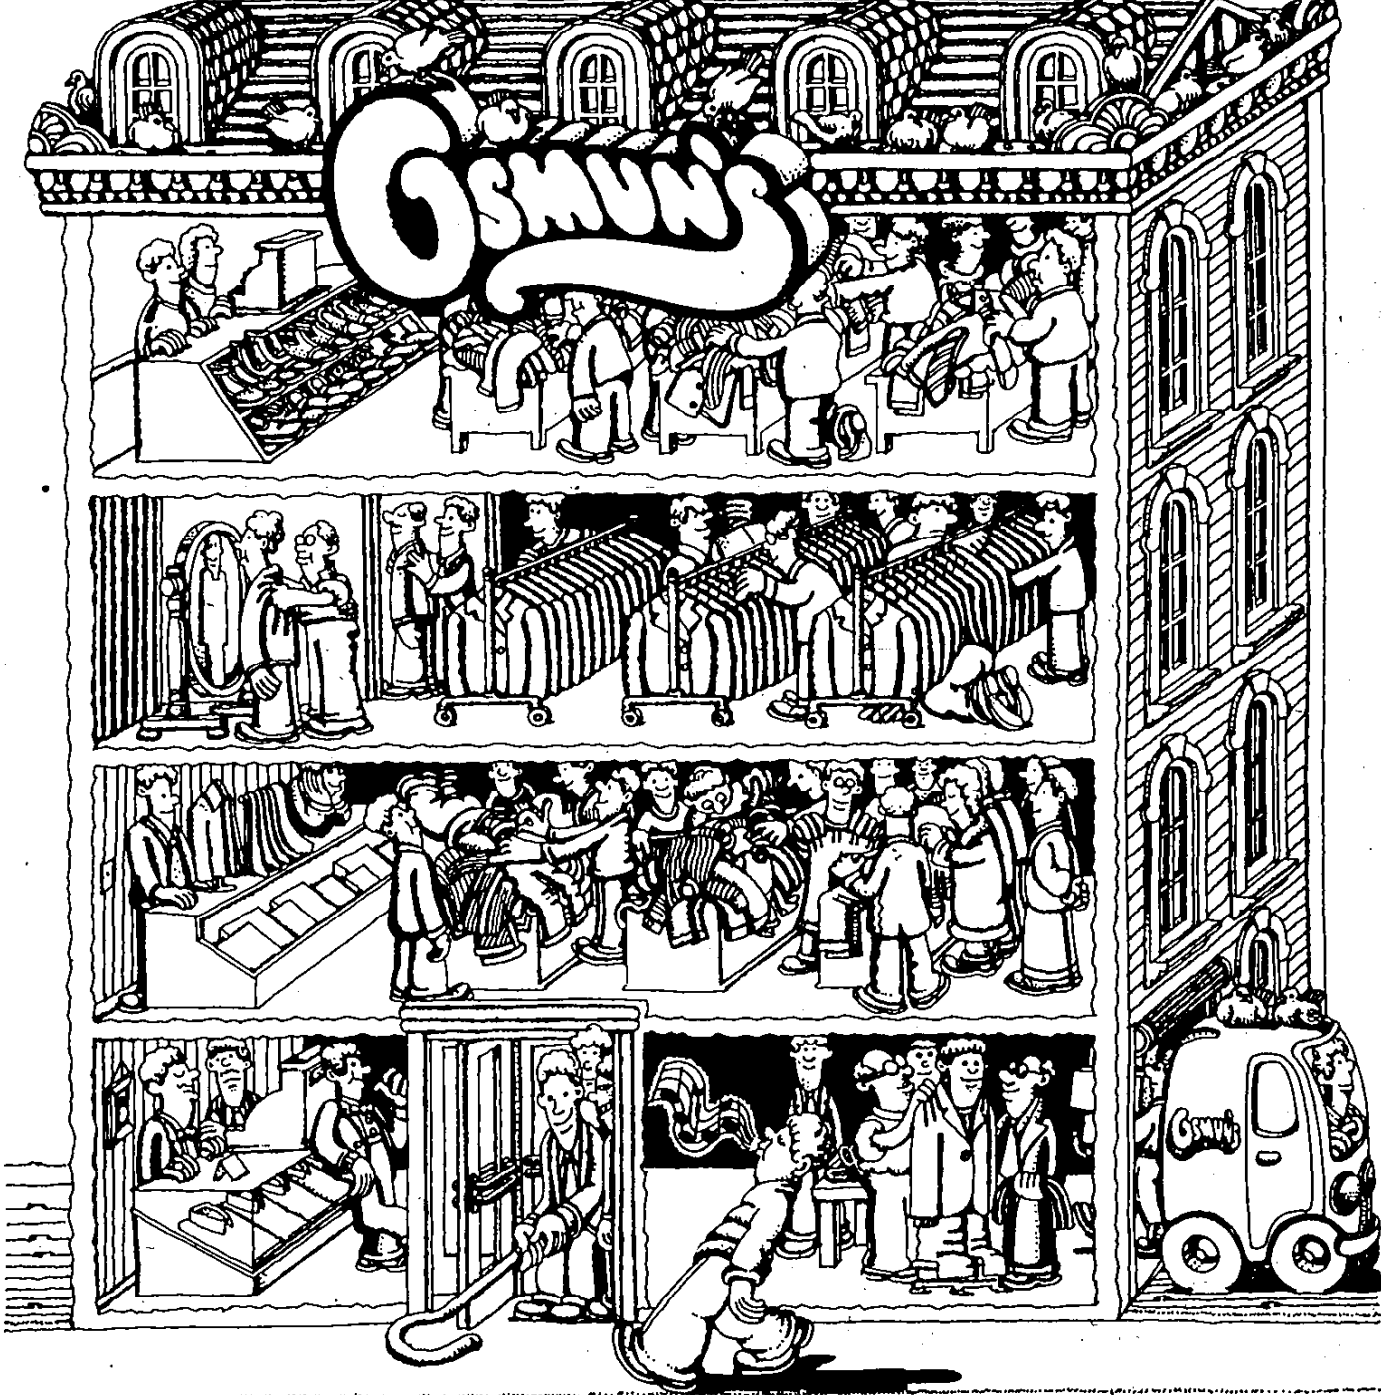

That's not all. There's even 100% Polyester double-knit slacks by some very famous makers. These slacks have continental and belt-loop tops and flare bottoms and they come in a great selection of new fall colors. Values to \$23.00. Now just \$14.90 or 2 for \$29.

And you can get wool suburban coats with pile collars and lining. They come in brown, gray and blue and originally were \$50. Now just \$39.90.

So come in and see if you can save some money. If you've never been to a "we-want-the-business-sale," don't worry. We've never had one before.
