

THE BLUE AND WHITE

FRESHIES HOLD LEAD OF HONOR STUDENTS

Twenty-eight out of the eighty names appearing on the honor roll for the second marking were those of freshmen. This is the third time freshmen have captured these honors this year.

The complete roll follows: Freshmen—Betty Claborn, Doris Colebank, Dick Fournier, Joyce Gerds, Lois Gores, Norman Gores, Rosella Griffin, Kenneth Guthrie, Fred Hamlin, Bob Herbert, Zanna Lou Libbert, Charles Locker, Robert Lundberg, Joyce Lussenden, Dick Matz, Elmer Paschke, Mildred McKaye, Kathleen Morris, Harriet Nebus, Constance Orloff, Shirley Overmyer, Joyce Samuelson, Erva Silla, Marion Vandenberg, Gertrude Whitely, Clyde Yokum, Betty Jean York and Yolkum.

Seniors—Irene Brykaski, William Carpenter, Marjorie Collins, Dorothy Goers, Robert Guillen, Elleen Gunning, Margaret Hagard, Robert Ham, William Holmes, Myron Loomis, Judith Oster, Hugo Pascoe, Dorothy Rose, Melvin Rowland, Gwendolyn Seale, Fritza Shoemaker, Charles Sullivan and Annie Wells.

Sophomores—Mary Aschenbrenner, Ruth Chandler, Henry Colebank, Jacqueline Erwin, Annelle Foster, Dorothy Gustafson, Charles Alford, Holmes, Edith Kargetta, Dorothy Kechich, Fredrick Kupsky, Audrey Labrup, Floyd Quick, Suzanne Smith, Mary Jane Smith, Mary Solis, Kathleen Tassie and Kenneth Way.

Junior—Carmela Brancalone, Betty Brooks, Francis Brunette, Doris Campbell, Richard Gohi, Alice Griffin, Bernice Lundberg, Donald Mackle, Irene Morris, Edith Parker, John Rackov, Virginia Redding, Ertle Rhoads, David Sullivan and Alfred Wallbank.

With the hometown team going into the last inning with the score tied, it looked as if there was possibility another overtime (it in the making. Miller, after hit, reached first on an error. Stewart, running for him, took second when Lahr reached first on an error. Sullivan, next up, singled sending the winning run across, enabling Farmington to come out on top 6 to 5.

Sullivan led the hitters, with 3 hits, followed by Holmes, Lahr, Ryan, Kish, and Russell with 1 each.

Coming back from Skip day we had a little excitement—what was Chuck's Puddle Jumper and Hippo's Leapin' Lena, something had to happen. It did! Chuck banged into a nice new Buck. You sure can't pick 'em. Chuck's Leapin' Lena just had a little trouble with her brakes. Did I say little?

We didn't think Bob Russell was much at tennis, but he likes it so well he played three hours, or could it be Hamtramel's gala?

Surprise! Surprise! the baseball team won a game from Keego. Substitutes and more substitutes—now it's Mr. Hutton. We hear Bob Erwin taught the class the other day. Is that good or bad?

Hats—shall we or shall we not? The girls are just discussing whether they will wear hats at the Junior-Senior banquet or not. The girls are against 'em. Most of 'em are against slacks, too, unless they fit right and are especially well cut.

'Tis said that cutting your own hair is becoming very contagious among the girls. Once you start it you can't seem to stop. I've seen several lassies demonstrating that the tresses have been snipped to short—and as for Barbara Haggard—she'll end up with a buzz cut yet!

Tother day I met a gal from Ann Arbor. During the process of getting acquainted she asked me where I lived. When I replied that Farmington was my home town, she chirped, "Oh, I know where that is. I learned to park there." (Nice reputation we have—eh, what!)

EG. and L.S.

Former F.H.S. Student Now In The Marines

William J. Mitchell, 17, of Haled road, a former student of Farmington, is now in training at the Marine Corps Post at San Diego, Calif.

It is felt that Bill would greatly appreciate hearing from his "home town"; therefore, letters addressed to him at the Recruit Depot, Marine Barracks, San Diego, California, will be welcome.

Bill was active in athletics at Farmington High School, and he enlisted in the Marine Corps he was employed by the J. L. Hudson Co.

F.H.S. NINE TRIUMPH OVER KEEGO HARBOR

Coach Hutton's baseball team came back in the win column last week by defeating Keego Harbor by the score of 6 to 5. The visitors from Keego started the game off with the first three men in the batting order bunting safely. This netted one run. The hometown team then lined things up in their half of the first by scoring 5 runs. Pauline, first up, fanned. Holmes singled and scored a moment later on Lahr's triple. Sullivan bunted safely and went to second when the throw to the plate, attempting to nail Lahr, got away from catcher, Ryan. Singled Sullivan home and took second on a passed ball. He scored a moment later when Beck reached first safely on an error. Russell, next up, singled, but that was all the scoring for their first inning.

Keego counted next in the third inning with a double and a single, collaborating for 1 run. Keego counted again in the sixth, when Farmington's defense took a temporary lapse. Before the side could be retired, they had tallied 3 runs and knotted the score at 5 each.

F.H.S. TEAM DEFEATED AT BRIGHTON

Farmington High School's baseball team lost another ball game last Friday when they were turned back by Brighton by the score of 10 to 9. Farmington took the lead in the first inning when Bob Lahr, centerfielder, got hold of one of Green's lefthanded slants and cut it over the fence in left field for a round-tripper. In the third Sullivan walked, stole second and came home on Pauline's single. This gave the Farmington aggregation a 2 to 0 lead.

In the last of the third, Farmington's pitching and defense held on, and Brighton committed 6 hits, making the count 7 to 2. Combining 5 Farmington errors and no hits, Brighton tallied 2 more runs in the fifth to make the count 9 to 2.

Farmington scored 2 more runs in their half of the sixth inning on Bob Lahr's double and a Brighton error, but Brighton got one more to make the score stand at 10 to 4. In the last inning the best Farmington could do was one run, and the final score stood at 10 to 5.

Bob Lahr led the Farmington hitters with a homerun and a double; he also scored 2 of the 5 runs.

Seniors Continue Plans For Graduation

At a class meeting on Monday, May 4, the seniors continued planning for graduation. Caps and gowns, announcements and name checks have been ordered. They have chosen the gardenia for their class flower, blue and silver for their colors, and "Today changes Tomorrow" for their motto.

Lynn Seale

Mrs. Rohrer Leaves For New Position

Mrs. L. M. Rohrer, who has been teaching the seventh and eighth grade English and girls' gym classes for the last two years, will leave on Friday, May 15, to join the faculty of the Bloomfield Hills high school. In her new position Mrs. Rohrer will teach junior high, sophomore and senior English, this year and next.

Dorothy Goers Will Attend D.A.R. Dinner

Dorothy Goers with two other girls, one from Walled Lake and the other from Milford, will be guests at a dinner to be held at the Ford Rotunda Inn, May 19. Guests at this dinner were candidates from high schools in this locality in the D.A.R. Good Citizenship contest.

Jack Simpson

Seniors Plan Last Social Get-Together

The Senior class plans to hold a farewell party for all the members in the graduating class on May 29. The committee has asked Don Barnard's orchestra to play for the dancing part of the evening. The general committee is composed of Dorothy Goers, Irene Brykaski, Marjorie Collins, Hugo Pascoe and Bob Russell.

Bob Russell

Leaves on Apple Tree

According to the New York State College of Agriculture there are 50,000 leaves on a full-grown apple tree.

MOTHERS OF WAR HEROES

CAMDEN, N. J.—Mothers of famous American war heroes were brought together for a Mother's Day rally by the R.C.A. Manufacturing Company and the Camden Girl Scouts in Camden's Johnson Park. Pictured here left to right after they met are: Talla Lockard, sister of Sgt. Joseph Lockard who spotted the approach of Jap planes at Pearl Harbor, Mrs. Joseph Lockard, the Hero's wife, Mrs. Dorothy Lockard, his mother, Mrs. Betty Bowen, of Camden, N. J., designated by the Girl Scouts of Camden as the typical "War Mother" and Mrs. Clara Wermuth, of Chicago, Mother of Captain Arthur Wermuth, Hero of Bataan who has often been called the "One Man Army."

Legal Notices

EDMOND J. DONOHUE, Attorney, 1841 Peoples State Bldg., Pontiac, Michigan. STATE OF MICHIGAN IN THE CIRCUIT COURT FOR THE COUNTY OF OAKLAND IN CHANCERY

MINNIE DOUGLAS, Plaintiff, vs. HARVEY DOUGLAS, Defendant.

ORDER OF APPEARANCE

IT appearing on file that the defendant herein, HARVEY DOUGLAS, is not a resident of this State, and that the plaintiff has no information at the present time concerning his address, it is ORDERED, that the said defendant cause his appearance to be entered in this cause within three months from the date of this order and that in default thereof, the Bill of Complaint filed in this cause will be taken as confessed.

IT IS FURTHER ORDERED, that this Bill of Complaint filed by the plaintiff, served with a copy of said order by registered mail as required by law.

Dated: Pontiac, Michigan, March 27, 1942. April 3-May 11

LEON H. HUBBARD, Attorney, 2780 Bayley Street, Pontiac, Michigan. STATE OF MICHIGAN IN THE CIRCUIT COURT FOR THE COUNTY OF OAKLAND IN CHANCERY

HERBERT GAY, Plaintiff, vs. J. RUSSEL HOLLAND, Defendant.

ORDER OF PUBLICATION

At a session of said Court held in the Court House in the City of Pontiac, Michigan, on the 27th day of March A. D. 1942.

Present: Honorable H. Russel Holland, Circuit Judge.

It is satisfactorily appearing by affidavit on file that the said defendant, J. R. Holland, is not a resident of the State of Michigan, and that his last known address was Panama City, Florida.

IT IS ORDERED, that the said Bill of Complaint in this cause within three (3) months from the date of this order or that the said Bill may be taken as confessed against him and that this order be published according to law or that a copy of the same be personally served on the defendant by registered mail.

It is further ordered, that this Bill of Complaint be published in this newspaper for three consecutive weeks commencing on the 27th day of April A. D. 1942.

IT IS ORDERED, that the first day of June 1942, at nine o'clock in the forenoon, said Probate Office, be and is hereby appointed for hearing said petition, and that all persons interested in said estate appear before said Court, at said time and place, to show cause why a license to sell said real estate in said real estate should not be granted.

IT IS FURTHER ORDERED, that public notice of this order, once in each week for three consecutive weeks, previous to said day of hearing, in the Farmington Enterprise a newspaper printed and circulated in said County.

ARTHUR E. MOORE, Judge of Probate, April 30-May 14

W. E. C. HUTHWAITE, Attorney, Peoples State Building, Pontiac, Michigan. STATE OF MICHIGAN IN THE CIRCUIT COURT FOR THE COUNTY OF OAKLAND IN CHANCERY

At a session of said Court, held at the Probate Office, in the City of Pontiac, in said County, on the 27th day of April A. D. 1942.

Present: Hon. Arthur E. Moore, Judge of Probate.

In the Matter of the Estate of Harry Westfall, Deceased.

W. E. C. Huthwaite, administrator of said estate, having filed in said Court a petition praying for leave to sell, in private sale, the interest of said estate in certain real estate therein described.

It is ordered, that the first day of June 1942, at nine o'clock in the forenoon, said Probate Office, be and is hereby appointed for hearing said petition, and that all persons interested in said estate appear before said Court, at said time and place, to show cause why a license to sell said real estate in said real estate should not be granted.

IT IS FURTHER ORDERED, that public notice of this order, once in each week for three consecutive weeks, previous to said day of hearing, in the Farmington Enterprise a newspaper printed and circulated in said County.

TO WHOM NOTICE MAY CONCERN Please to Take Notice that on Saturday the 27th day of May 1942, at nine o'clock in the forenoon, at the office of the Judge of Probate at the Court House in the City of Pontiac, County of Oakland, Michigan, I will make application to the Honorable Judge of Probate in and for said County, to change my name and the name of my wife and child (from Henning George Kraft, Gerda Kraft, and Eric Henning Kraft) to Henning George Kraft, Gerda Kraft, and Eric Henning Kraft.

Present: Honorable H. Russel Holland, Circuit Judge.

IT IS ORDERED, that the said Bill of Complaint in this cause within three (3) months from the date of this order or that the said Bill may be taken as confessed against him and that this order be published according to law or that a copy of the same be personally served on the defendant by registered mail.

IT IS FURTHER ORDERED, that this Bill of Complaint be published in this newspaper for three consecutive weeks commencing on the 27th day of April A. D. 1942.

IT IS ORDERED, that the first day of June 1942, at nine o'clock in the forenoon, said Probate Office, be and is hereby appointed for hearing said petition, and that all persons interested in said estate appear before said Court, at said time and place, to show cause why a license to sell said real estate in said real estate should not be granted.

IT IS FURTHER ORDERED, that public notice of this order, once in each week for three consecutive weeks, previous to said day of hearing, in the Farmington Enterprise a newspaper printed and circulated in said County.

ARTHUR E. MOORE, Judge of Probate, May 14-May 27

Buy in Farmington!

Even giant turbines need "low gear"

TO "KEEP 'EM ROLLING" at top speed

The speeding wheels of large turbines like the one above are playing a vital part in Detroit's war industries—generating electric power for hundreds of factories, for stores and offices and homes. Yet strangely enough, these high-speed machines have a "low gear" so slow as to barely "turn over"—a most important piece of equipment!

These small "turning gears"—developed more than a dozen years ago—have played an important part in preventing costly damage to the huge turbo-generators in Detroit Edison power plants. A big turbo-generator weighs many tons, but it is very delicately fitted with clearances of fifteen one-thousandths of an inch. When a turbine is taken off the line or is temporarily not in use, the stored heat in the turbine gradually raises the temperature at the top of the casing, causing the shaft to distort and "bow" upward. If a turbine were started in this condition, the shaft might be permanently bent—resulting in damage that would cripple the turbine for months, and a repair bill of some \$30,000. Even with a high priority, repair or replacement might take months.

Turbines are too costly to be treated like this—and too hard to replace. So the small "turning gear" does an important job. It keeps the large shaft rotating slowly and continuously during shut-down periods, and prevents warping or bowing. It also prevents bringing the turbine up to speed again in half the time formerly required. And because clearances can be set to a few thousandths of an inch, steam is used at a slightly increased efficiency—thereby saving a small part of the coal required to produce electricity. The Detroit Edison Company.
