VULCANIZING

Don't let another day by without having your tires checked.

Virgit, Campbell, Assistant

ited to join these classes.

Your present tires, must last you for a long time. Have those small breaks vulcanized today.

A break repaired only by a boot will soon ruin your tire, as the break will spread beyond repair.

RE GROOVING

We can add extra mileage to those bald tires regrooving the tread, making them run cooler.

COOPERATE WITH UNCLE SAM In your scrap rubber and we will pay we will give \$2.50 in Wa ing in the most scrap.
