Easy on Patent  
In a recent Patent case, Justice Douglas of the Supreme Court said patentable, "It reveal the dash of creative genius." Since then, lower courts have applied this test to other cases and held patents invalid because they did not reveal the dash of creative genius.

U. S. Preparer Filter Sand  
High-quality silica sand for use in filters is prepared in very few places in the United States. Most of it comes from sandbanks in New Jersey. Practically all foreign countries secure their filter sand from the United States.

You can serve your family nutritious, well-balanced meals by using unrationed or low point foods.
