

**YELLOW LINES** . . . are much in evidence this week. Not referring to any yellow lines down anybody's backs, or to those yellow lines Harvey Blough undoubtedly has before his eyes, after painting all the parking guides this week. Yes, Farmington streets are all newly painted for the benefit of motorists, marking off the parking spots.

**FALL FEVER** . . . has hard hit the natives this week, for with the beautiful weather and the country side glorious in fall coloring, it is hard indeed to keep one's mind strictly on business at hand, and to stifle the desire to be out-of-doors.

**THIS WEEK** . . . marks the week for celebrities to visit Farmington, for with Austin Grant here on Wednesday and Tim Doolittle coming on Friday, we seem to have had more than our just share.

**GOOD WISHES** . . . are extended to Margaret Green on whatever undertaking she may choose to pursue. Margaret's beauty shop has long held its place on Farmington's business section, and we're going to miss seeing her neat little shop, Good Luck, Margaret, and we trust that on that day we'll once more have you back in Farmington.

**OCTOBER** . . . is with us already, and that means that November is the next month ahead. And November, you will recall, is the month the Blood Bank will again visit Farmington, so start planning now, on being a blood donor. The bank will be here for a longer stay this time, you know, and donors will be needed. The pint of blood you will give may save a life.

## JUDGE LAMB HONORED ON ANNIVERSARY

Judge Fred S. Lamb of Cadillac, brother of Arthur Lamb of Farmington, was guest of honor at a party given by county officers and employees in the Grange room last Tuesday afternoon, the occasion being his 80th birthday anniversary. Refreshments were served from a table decorated with flowers, candelabra and a birthday cake, and the judge was presented with a gift.

Judge Lamb was induced to visit the Grange room, where a group waited for him, by a request from prosecutor Jack W. Korn that he take an arrangement there of a defendant who would have difficulty getting up the stairs. He was met on the first floor by the clerk, tablet in hand, and the judge was escorted to the Grange room, where he was surprised to be greeted by the Happy Birthday song, instead of court work.

Judge Lamb completed 32 years of service as Circuit Court Judge, and the first of January this year, and was re-elected for another six year term. He was first appointed by Governor Fred M. Warner.

## MANY ATTEND PROGRAM TO HEAR AUSTIN GRANT

A good many Farmington people were out Wednesday evening to hear the talk given by Austin Grant at the Kiwanis meeting, at the Methodist Church. Kiwanians, their wives and guests, enjoyed a dinner in the church dining room and the assembly then moved upstairs to the Community Hall, where Mr. Grant spoke. A number of people came to hear the program.

"Swing High, Swing Low" was the topic Mr. Grant chose. He spoke of the great need for a rebirth of religion, a religion that comes from within and from the heart. He spoke, too, of the youth of today, and their great need for directive thinking. American home life has branched out in so many directions, because it has been so easy for us to take on so many outside interests, that home, as it used to be, is not known to the youth of today.

Mr. Grant's talk was certainly an inspiring one, and gave his audience much to think about.

You may purchase Bonds and Stamps at these booths at any time, in addition, they plan to have booths at every meeting and public gathering in the City. If you are unable to get to one of the booths, and purchase that Bond you want, just call on the ladies, and they will see that your application is taken, and the Bond is delivered to you.

Mrs. Hattie DeVrijndt will head the Farmington organization, as commander. Assisting her is the administrative work of the group are Captains Mary Tenz and Arlene Flah, and Lieutenants Florence Yull, Margaret Mitchell, Viola Smith, Sarah Hopkins, Ada Goers, Jean Lay, Ruth Miller and Mildred Prindle.

## This Is National Newspaper Week

This week, the week of October 1 to October 8, is being observed as National Newspaper Week, all over the United States. In connection with this observance, we would like to renew our pledge to serve the people of Farmington and community, and to renew our efforts to bring you a real community newspaper.

A message received from President Roosevelt, addressed to the newspaper publishers of America reads as follows:

"National Newspaper Week again affords an opportunity for us to renew our faith in the principles of Democracy and to re-affirm our efforts to sustain that Democracy against our enemies. In this supreme war effort, the daily and weekly newspapers of America are charged with great responsibility. It is their task to keep the people fully and wisely informed, to record and publish those sober facts that will steady the helm and even the rudder of a nation tossed on the sea of wartime uncertainty."

Today the war news is better than it was a year ago. We are on the offensive; the enemy has been dislodged in many quarters. Yet the need for a sharp perspective, for a sure balance, for an intelligent evaluation of our gains and a cautious weighing of our future tasks is imperative. The enemy would confuse and disintegrate us with rumors and misunderstandings. Our most effective weapon against his malicious falsehoods is the truth; an accurate, full, and fair presentation of the news in a free press.

"The rights of a free press are the safeguards of the people; the responsibilities of a free press are the commandments of the people."

## Announce Anniversary Sale

An advertisement appearing elsewhere in this issue of The Enterprise, announces the third annual celebration of the DeRoy Jewelry Company, 2148 Grand River Avenue, starting Wednesday, Oct. 6.

Few business enterprises have achieved the success in such a short period of time as has the DeRoy Jewelry Company. The success story of this firm is simple as explained by Sam Barbas, DeRoy's manager. "When we first opened our doors," said Barbas, "we determined that DeRoy's was to be just another jewelry store. Behind this enterprise was to be a good neighbor policy—a spirit of friendly and sincere service—and an unflinching determination to give only the best merchandise the market offers at common sense prices. Time has proved our policy was sound. Today DeRoy's has two busy stores and what is more important, the satisfaction of having made thousands of loyal friends. Despite the present serious shortage of merchandise," continues Barbas, "we are determined to give these loyal friends an opportunity to satisfy their immediate jewelry needs and make advance selection of Christmas gifts at special Anniversary savings. Every department is replete with exceptional values designed to make this event the most outstanding in our history."

## Services Held for Kowalski

The community was shocked last Friday afternoon to learn of the sudden death of Charles Kowalski. Mr. Kowalski was out in the yard at his home, 22650 Brookdale, where he and his wife were raking leaves. He suffered a heart attack, and died immediately.

Mr. Kowalski was born September 30, 1882, at Detroit, Michigan, and observed his 61st birthday just the day before he died. He had a full life, serving in the Spanish American War, and for six years he saw service with the United States Army in the Philippine Islands. He was a member of the Detroit Police Force for 21 years, and following his retirement came to Farmington to make his home. He had taken a keen interest in civic affairs, serving as police chief of the city for a time. He was a Godfellow, and acting president of Farmington Exchange Club.

Funeral services were held at Schmalzriedt Sons Funeral Home in Detroit with Rev. Howard C. Buschinger of Farmington Methodist Church officiating. The Masonic Lodge and Detroit Police Department both took part in the service. Burial was held at Acacia Park Cemetery.

## PAPER PICK-UP SCHEDULED FOR OCTOBER 23

Salvage Yard Chairman Bayard Tupper announces that another paper pick-up will be made in the City of Farmington, Saturday afternoon, October 23rd.

"Already one Michigan paper mill at Osego has been forced to close," said Mr. Tupper, "and this was caused, through lack of old newspapers." All of us should do our part to conserve and turn old newspapers into War Production use," said Tupper.

With this thought in mind the Salvage Committee appeals to the public for their support. Residents of the City of Farmington may tie their papers into bundles and leave them at the Farmington Lumber and Coal Company yard.

## PTA Membership Month Is Here

The month of October has been proclaimed the month for all interested citizens to join their local Parent-Teacher Association, by an official proclamation issued by Governor Harry F. Kelly.

Regular meetings of the Farmington P.T.A. are held the third Tuesday of each month, at the High School Cafeteria. The officers and board members have planned a constructive program for the year, and one certain to interest every parent in Farmington. If you have never attended a P.T.A. meeting, make it a point to go on Tuesday evening, October 13.

The proclamation Governor Kelly issued, reads as follows: "The Home is the most significant institution developed by mankind for the maintenance and development of social welfare. Similarly, the school is the best agency yet created to serve the home, supplementing it and cooperating with it in the building of human character."

"The Congress of Parents and Teachers coordinates the home and the school. Its objects are to promote the welfare of children and youth in home, school, church and community; to raise the standards of home life; to secure adequate laws for the care and protection of children and youth; to bring into closer relation the home and the school; that parents and teachers may cooperate intelligently in the training of the child; and to develop between educators and the general public such united efforts as will secure for every child and the highest advantages in physical, mental, social and spiritual education."

"Membership in such an association offers to each adult in the community a way to stimulate interest in community responsibility for the well-being of children and youth."

"Therefore, I, Harry F. Kelly, Governor of the State of Michigan, do hereby designate the month of October, 1943, as Parent-Teacher Membership Month," and I urge that all citizens give thought during October to the advantages of membership in the Michigan Congress of Parents and Teachers."

## Local Lads Take Plymouth and Clarenceville

The Farmington High School football squad entered the season this year with a lineup composed almost completely of new men. Despite this apparent handicap, the team is coming through with flying colors.

They started the season on September 24, with a heavy order, for Plymouth was their first opponent. The local boys handed them a defeat, 7 to 0. The only touchdown was scored by Milton Knight, on a run from scrimmage. The conversion was made by Leo Hupert with a placekick.

The starting lineup was Ray Lardie, L.E.; Fred Hamlin, L.T.; Don Kosmynsky, L.G.; Bill Kahrl, C.; Bud Aschenbrenner, R.G.; Sam Erwin, R.T.; Elliot Tyler, R.E.; Rennie Bacon, Q.B.; Milton Knight, L.H.; Bill Dold, R.H.; Leo Hupert, F.B. Substitutes in the game were Dick Banghart, L.E.; John Gambee, R.T.; Oscar Auten, L.T.; John Schroeder, R.H.; Bob McLean, L.H. and Bill Hight, F.B.

The second game of the scheduled was played with Clarenceville High School on the Farmington field. Clarenceville was headed a 247 defeat by the Farmington "Blue Devils."

The Clarenceville team was small and inexperienced, for this is the first year they have been in active competition with four grade high schools, but they played an excellent game.

Farmington scored the first touchdown in the first quarter. The touchdown was scored by Ray Lardie, when he caught a pass in the end zone. Failing to make the conversion, the score stood 6-0 until early in the second quarter, when John Schroeder caught a pass and ran twenty yards for touchdown. Farmington again missed the extra point.

Later in the second quarter Rennie Bacon scored the third touchdown of the game, and again the conversion was missed. In the last half, Clarenceville played inspired ball, holding Farmington to six points, scored by Rennie Bacon, while Clarenceville scored seven points. The touchdown and conversion were both made by Murray Callan, captain of the Clarenceville squad.

The lineup for Farmington was the same as against Plymouth, except for Fred Hamlin, who was out with an injury. Dick Fisher, Farmington's regular left end, hasn't seen service this year because of an injury received early in the season, but Coach Hutton hopes that Dick will see some action this Friday, October 8, at Walled Lake, when Farmington plays Walled Lake.
