### SPECIAL SERVICES AT CHRISTIAN SCIENCE CHURCH

As is customary in all Christian Science Churches, a special Thanksgiving service will be held on Thanksgiving Day in Farmington High School Auditorium at 8:00 o'clock p.m.

Following the usual order of service there will be a brief period in which members of the congregation may express their gratitude for healings and other help which they have received during the past year.

The Golden Text from Psalms 136: 12,15, will be very appropriate and reads: "What shall I render unto the Lord for all his benefits toward me? ... I will offer to thee the sacrifice of thanksgiving, and will call upon the name of the Lord."

The Bible citations include: "But this I say, He which giveth sparingly shall reap also sparingly; and he which soweth bountifully shall reap also bountifully. Every man as he purposeth in his heart, let him give; not grudgingly, or of necessity; for God loveth a cheerful giver."

Among the citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will be the following: "The rich in spirit help the poor in one grand brotherhood, all having the same Principle, or Father; and blessed is that man who seeth his brother's need and supplieth it, seeking his own in another's good."

much. I'm stationed just outside Yuma by the Imperial Dam, and I like it very much. The Engineers are a bunch of hard workers. I'm in the heavy construction engineers which is mostly building bridges across water.

I guess that's about all for now and thanks again for the paper.

Private James Mitchell

Somewhere in Italy  
October 24, 1943

Dear Mom and Dad:

Well today is the day of rest. We had a good meal this noon. Turkey and turnips, bought them with money from the company fund from the Italian farmers.

We were honored with a visit by Colonel Miller today, also a news correspondent from the Chicago Sun...

Received canteen rations, one box of cookies and waters, one toaster roll, one walletto, and two packs of gum. Will greatly appreciate your Christmas boxes when they arrive, especially chocolate candy as we don't get chocolate at all.

We are having a band concert by the Regiment Band. It reminds me of playing in the High School Band back home.

Received Division Insignia. It is a Red Star's head in a black circle.

The engineers have finished building a shower and we will soon be able to get a bath.

We are not allowed to tell you that we have been in battle, and I came out w/ a scratch, cut or bruise.

Have met a lot of nice Italian people. They are very friendly toward us. They have been, hard hit by this war, more so than any other people I have seen.

We have quite a few grapes but miss having any orange or banana once in a while.

I am well and safe and enjoy Italy, so don't worry. We will all be home soon.

Love,  
Private Charles E. Larson.

S/Sgt. Harry W. Kutschke has reported at Keesler Field, a unit of the Army Air Forces Training Command, to begin training as a pre-aviation cadet. He is the son of Mr. and Mrs. Edward Kutschke, 30080 12 Mile Road.

He will be at Keesler Field, Mississippi, for 28 days before going to a college or university for five months of further work preparatory to becoming an air cadet.

Private Hedwig Berger, daughter of Mr. and Mrs. John Berger, of 29901 St. Martins Street, Farmington, and a member of a Woman's Army Corps company which arrived at a city in North Africa early in September to work with the Army, has been assigned as a stenographer in a Troops and Personnel Section. Private Berger, former secretary for the Packard Motor Car Company in Detroit, joined the WAC last April.
