How Are Cuts Felt?

FARMINGTON
The Farmington Area Council of PTAs will meet Wednesday, Feb. 16, at 8 p.m. in the Farmington Junior High School library.

Larry Freedman, director of elementary education for Farmington Schools, will speak on the overall picture in Farmington elementary schools.

He will discuss curriculum and existing programs, citing those areas where cuts have been made this current year.

Mrs. Charles VanDeusen, council vice-president, states: "We feel an up-to-date analysis of our elementary situation is most important and welcome the opportunity to hear Freedman."

"With a millage vote looming in the near future, his information should provide a good basis for a decision in that area."

Any interested citizen is welcome to attend the meeting. The regular business session will follow.

Labor Costs

Labor costs for marketing farm products account for 47 per cent of the total expense of getting food from farm to consumer, according to agricultural researchers.
