

GIRL SCOUT COLUMN

All Girl Scouts in Farmington were busy working on the entertainment for the Girl Scout Birthday Supper held in the High School Auditorium, Monday, Mar. 27, at six p.m.

Mrs. Claude Haskins, chairman of the Girl Scout Council, acted as mistress of ceremonies and each troop furnished an act of entertainment.

Marjette Lamb, a junior in High School and a Girl Scout, for the past five years has decided to train for nursing after graduation.

She has taken up three courses in First Aid in Scouting and finds work at the Children's Hospital most interesting. She likes caring for babies better than older children as she can watch the development and actions. Marjette says that during the five years she has benefited much from all phases of scouting.

IF  
SOMEONE  
SAID TO YOU

"All of the Churches in Farmington Are To Be Closed"

Even though you are not a regular church member, you would be among the first to protest against such a thing happening.

All churches are kept open by members, and others who attend — Do YOUR part in keeping our churches open.

EDITORIAL

This is directed not only to the students of Farmington schools but also to all members of the community.

What can be in the minds of people who deliberately mar, deface and destroy school equipment around the buildings and on the Athletic Field? During the last few years more and more damage has been done. This equipment not only benefits the athletes and people who use it but all members of the community.

Our Athletic Field is here for our benefit, yet some insist upon tearing the band shell apart, throwing the benches in the creek, and driving cars all over the field.

When visitors come to a high school, one of the first things noted is the condition of the equipment. Many opinions are formulated from these first impressions.

Let's all of us start a campaign to protect school property and see what we can do.

—Audrey A. Lathrup.

Baseball Schedule Is Announced

Anticipating an excellent season for the F.H.S. baseball team, Coach Strobel has reported that around fifty boys have come out for opening practices. With so many fellows interested and willing to practice, the games should be fast and exciting because substitutions can be made easily. The schedule for the 1944 season appears below:

April 14: Farmington vs. Keego Harbor, here.  
April 21: Farmington vs. Northville, there.  
April 27: Farmington vs. Walled Lake, here.  
May 12: Farmington vs. Redford Union, here.  
May 19: Farmington vs. Milford, there. —F.Q.

Track Squad Prepares For 1944 Season

The track boys have been working hard with Coach Hutton for their first meet at Wayne, April 11. F.H.S. has a good team this year with some very fast runners on the squad. The schedule is as follows:

April 11: Farmington vs. Wayne, there.  
April 28: Farmington vs. Wayne, here.  
May 10: Triangle meet, Farmington, Milford and Redford Union, at Redford Union. —F.Q.

Spring Concert Set For May 12

The F.H.S. Music department will have its annual spring concert, Friday, May 12, in the school auditorium. It will be a joint concert with the Band and Glee Club.

Following the concert, there will be a dance. The music will be furnished by the Dance Orchestra, making its first appearance.

Since the directors and the musicians have worked hard all year, they'd like to see a big turn-out. —T.S.

Varsity Club Assembly Is Given

On Thursday last week the Varsity "F" Club presented an assembly for the students of F.H.S. Bill Doll, master of ceremonies, introduced the speakers. Mr. Strobel gave a brief history of baseball clubs and outlined our schedule for the year. Dick Langhart offered his opinions on cheerleading and asked for more boys to try out for next year. Mr. Hutton said a little about the history of track and gave highlights of the track season this year. He announced the captain of next year's basketball team, Rennie Bacon. Milton Knight, president of the club, explained the various activities of the "F" Club. The students voted on and named the name of the team from Longhorns to Falcons. —B.A.

Schools Named for Athletic Contest

The physical Fitness meet is to be held in the Farmington Gymnasium Friday, April 28. The nine schools competing are Keego Harbor, Holly, Clarkston, Walled Lake, Milford, Northville, Redford Union, Brighton and Farmington. Each school will enter three representatives in chinning, push-ups, rope-climb, standing broad-jump, and ten representatives in the tug-of-war, back-to-back relay and the crab-crawl. —A.L.

Barbara Locker Is Tendered Party

The senior Girl Scouts held their monthly meeting at the home of Barbara Locker on Monday evening, March 20. This was a farewell party for Barbara as she is leaving scouting after a continuous membership of five years. She was presented with the Five-year Numeral Guard. The troop presented her with a farewell gift. Carolyn Palmer and Lorraine Miner also received their O.C.D. pins and certificates for fifty hours service at the Children's Hospital.

War Bonds  
Aircraft workers of the west coast help buy warplanes as well as build them. Voluntary deductions for U. S. war savings bonds in a recent month averaged \$21.34 per individual, and despite the high turnover rate, the companies averaged \$3.35 per cent employee participation.

'TIS SAID ...

To start this column, we want to make an apology to Naoml—we meant to say "is" instead of "was" in last week's column. ... We ought to have a few more Girl-Bid dances like the one last Saturday. It does good to push a few of these boys out of their shells and get their necks out. ... Well, even the teachers, who usually are knee deep in record books, are noticing the couples who congregate out in the halls between classes—ah yes, isn't love grand? ... Say, boys, let's not fall down this baseball season! "You play and we'll root" will be our motto if you agree. What do you say we make this bargain and keep it. ... Congratulations, Rennie, for being chosen captain of next year's basketball team. We wish you luck, kiddo, and we'll be aiding the team in spirit to win the championship. —Stella Lookin.

Haymaking  
Besides the heavy labor, haymaking requires a long harvest season, in which poor weather and impossibility of cutting all hay at prime stage reduce the quality. Hay that is poorly cured causes hundreds of barns to burn each year through spontaneous combustion.

What important item  
COSTS LESS TODAY  
than before the war?

Answer  
ELECTRICITY!

Look at the chart above. The upper line represents living costs as far back as 1914—including rent, food, clothing, household furnishings, etc. Notice the mountain peak during the first World War, and the rising slope during the present war. These upward curves mean money out of your pocket. You pay more and more for the things you buy.

Now look at the bottom line of the chart—the one headed steadily downward. That is the average price of your residential electricity since 1914. Thanks to rate reductions and increased use, your average price of electricity is LESS today than before the war. It is lower in price than even during the depression in 1932. And it is only half the price you paid during the last war. Electricity is cheap.
