(Continued from page one)

ball nights. The high school boys who live in the Farmington district will play a game of softball with the high school boys who live in the Board school district. The game will start at 7:30. High school boys who live in the Noble district will also play the "9th urbanites" at 7:30. Wednesday nights starting June 14th from 8:30 to 11:00 will be dance nights. It is hoped to hold the dances on the walks near the gymnasium entrance.

Thursday nights—girls and adults softball. Friday nights—junior high school boys hard ball and softball. On Friday, June 16th at 7:30 p.m. Ivar Anderson's team will meet the team sponsored by the Usher's Club of the Catholic Church.

There will appear in each issue of the Enterprise a program for the coming week. Quite a number of local people have volunteered to give help on special occasions, inasmuch as this is somewhat of an experimental program, it is hoped to determine its usefulness in order to plan for future programs. Please pass the word along to your neighbors, as it is difficult to notify each family individually.

BOY SCOUTS HOLD FIRST OF SUMMER CAMPS

The Livonia section of district seven, Boy Scouts of America, held the first of a series of camps on Saturday and Sunday, June 3 and 4. The camp was held in Burton's Woods near Six Mile and Farmington Roads, in Livonia Township. The camp site is a beautiful secluded section of woods and was voted by all an ideal place to camp.

The scouts, with their leaders, gathered at two o'clock Saturday afternoon and set up camp. Saturday night camp was open for inspection by the families of the scouts. After the inspection, the parents stayed for the evening camp fire and entertainment program in which each troop took part.

After a good night's sleep—though there may be some question about that—the Sunday program started with reveille at 5:30 a.m. Sunday was spent with a sunrise service conducted by Rev. Prince followed by games and contests for the rest of the day.

Six troops were represented in the camp. Co-1 from Cooper School; E-1 from Elm School; RG-1 from Rosedale Gardens; S-1 from Starke School; LV-1 from Livonia Center and 282 from Wilcox School. One hundred and two scouts and eleven adults stayed overnight in camp.

The camp and contests were judged by Mr. Adams, Mr. Stokes, Mr. Anderson and Mr. Krause. The trophy, which will be held until the next Township camp, was won by Troop 252. Second place was won by RG-1, and all the troops promise keen competition for the next camp, which will probably be held in September. Presentation of the trophy was made by Mr. Krause, the Township chairman of scouting.

The excellent program planning and directing was the work of Scoutmaster C. J. Hefron of the Starke School and Scoutmaster G. Simpson of Livonia Center.

The camp was closed at 3 o'clock Sunday afternoon, with the Scoutmasters' benediction.

All in attendance are looking forward to the next time the scouts can get together, and hoping that the two troops that were unable to attend this time, will be present at the next camp.
