

**Tenderize Meat**  
Add a squirt of lemon juice or vinegar to tough pot roast or chicken while cooking.

**Iodine Output**  
Chile leads the world in iodine output and export. Iodine is a by-product of nitrate.

### WEST POINT PARK

By Laura Ault

Miss Marion Bolyard spent the weekend with her sister, Mrs. Loren Ray, in Detroit.

Mrs. Margaret Martin, Mrs. M. E. Ault, Miss Lora and Miss Freda Ault, Mrs. Edwin Johnson, Miss Marion Lee Johnson and Miss Anne Johnson were all visitors in Plymouth last Wednesday.

Jack Oman was on the sick list this last week.

Miss Delora Smith of near Flat Rock is continuing a visit with her sister, Mrs. Louis Jennings.

Miss Lora Anne Ault returned home Friday evening from a vacation spent with her sister, Mrs. Johnson Porter of New London, Ohio.

Mrs. Walter Rehahn was seized with a severe attack of illness last Tuesday but is now considerably improved.

Miss Marietta Schult has obtained vacation employment at the Farmington Dairy.

Mrs. William Barnum was in Plymouth Thursday.

Mrs. William Zwalen, Sr. and Mr. Zwalen of Dauby Avenue, Redford, were Sunday evening visitors in West Point Park.

Mrs. Margaret Martin and Mrs. Emerson Ault were Sunday evening guests of Mr. and Mrs. Robert Borland in Redford.

There was a noticeably small proportion of adults at the Pierson School picnic held at Cass Benton Park last Thursday. This was probably due to transportation difficulties and the fact that so many women as well as men are doing war work six days a week. However, a large group of boys and girls romped through the grounds and enjoyed the sports provided. The weather was ideal and the only real disappointment lay in the fact that the pool was dry.

Mrs. Edward Stange had an unpleasant encounter with a domes-

tic animal last Monday. Stopping by her kitchen window to admire the trees full of snow in lines in her back yard she observed what she took to be a halfer strayed from a pasture advancing upon the scene. Fearing that the visitor would wander too far away to be readily located by the owner or perhaps receive injury on the public highway, she ventured out with an idea of tending the creature to a tree. But when the animal turned an angrily-tossing head in her direction the good woman suddenly changed her mind. In great panic she hurried to the home of the young bull's owner. The handsome beast was promptly led away by Mrs. Lewis Graham but by that time Mrs. Stange's best sheets and tablecloths had acquired the appearance of having been through an invasion.

Mrs. Louis Jennings was hostess at a brush demonstration party at her home on Norfolk Avenue last Friday evening. A nice group of friends and neighbors were in attendance. Cards were a diversion and a delicious lunch was served.

Mrs. M. E. Ault and Mrs. Edwin Johnson were guests at a very pretty luncheon one day last week given by Mrs. George Dagg at the residence of her mother, Mrs. Robert Wilson, near the Children's Home. The affair was in honor of visiting friends from the South.

Bugs and beetles are destroying practically all the fruit and flowers in this locality. Up to date there is no guaranteed protection. Clinton Ault is on vacation this week.

During the middle of last week Mrs. Ernest Tallman was hostess to a large house party of relatives from various parts of Michigan who were on hand to attend the closing exercises in the Pierson school. Miss Ina Mae Tallman was one of the graduates.

The pastor of the First Presbyterian Church, Northville, gave the address at the graduating exercises held in Pierson School last Wednesday evening. Twenty-three boys and girls were given certificates entitling them to enter high school next September. A limited number of relatives and friends witnessed the ceremonies. At the close of the exercises, a reception was held and coffee, cake and ice cream served to all.

There have been the usual number of graduation parties this year. A few days previous to the commencement Mr. and Mrs. Austin Ault entertained in the P.T.A. Hall in honor of their daughter, Phyllis Anne.

Saturday night Mr. and Mrs. Soos entertained in honor of their son, Billy, also one of this year's graduating group. His classmates and a few other friends were the guests. All report that it was a very wonderful party and the supper served "something swell."

Mr. and Mrs. Cecil L. Cohea and family of Farmington Road were riding through the Folker subdivision Saturday evening when near the corner of Mayfield and Norfolk their car collided with another driven by "Skippy" Kelfer of Farmington. Much of the time there is considerable traffic at this point and cars come along at a good rate of speed. Nearby residents are constantly fearful of accidents and believe that some sort of a signal should be placed at this particular point. A large crowd rushed to the scene of the accident and police were notified. It was ascertained that, though much shaken up, no one was seriously injured, although Mr. Cohea had just been discharged from the hospital and seemed suffering from shock caused by the impact of the cars jamming together. Both cars were in need of repairs but it was possible to drive them away.

Mrs. William Zwalen, Jr. and children, from Redford, were visitors at the Berger residence on Mayfield Avenue Saturday.

Next Sunday is Children's Day at the Neighborhood Bible School which meets at 11 a.m. Parents, neighbors and friends are invited to drop in for the occasion. At 6 p.m. Rev. Edwards will preach.

Fathers' Day was observed at the Neighborhood Bible School on Sunday. Arthur Muir and son, Jimmy, were the father and son present who were presented with a recognition gift of a plant. During the service Billy Varhol was given an award for a perfect recitation of the Beatitudes.

Two fathers in the service of their country were specially remembered as a part of the Father's Day program. One was Bill Owen, who grew up in West Point Park and who left a wife and small daughter when inducted this last spring. His name was placed on the Neighborhood Honor Roll in the Neighborhood Church. Prayers were said and songs sung for both Mr. Owen and Marvin Peterson, whose name was already on the roll. Mr. Peterson, who entered the Navy not so long ago, left behind a wife and three children, who take part in the activities of the Neighborhood Church.

### CLARENCEVILLE

Mrs. Mary Rutla

(June 15, 1944)

At the meeting of the Clarenceville Boosters Club held at the High School on Friday evening, a committee composed of Mr. Evans of the Seven Mile District, Mr. Shuffert, Mr. Grace and Mr. Schultz of the Livonia District, and Mr. Dehanske and Mr. Barnes of the Farmington Township District were chosen to represent the 40 or more persons who attended.

Virginia Bassler who has been attending Adelphi Academy in Holly the past year, has returned to her mother's home on Waldron for the summer.

LeRoy Croplet of Inkster left on Friday night for Great Lakes Training Station. On Saturday evening, June 3, a number of close friends and relatives gave Roy a

going away party. Mrs. Croplet and three little girls, Sharon, nine months, Nancy Lee, 4, and Sandra Ellen, 3, will remain at their home on Inkster for the duration.

Mr. and Mrs. Manley Kelly and daughter, Carol, left on Tuesday to visit relatives of Mrs. Kelly in Sudbury, Ontario. Don, Maurice and Lorraine Kelly are with Mr. Kelly's mother in Emmett, Mich., while Grace and Corinne are with friends in Detroit.

The Leslie Meade and Little son, Davey, have moved into their new home on Cora Avenue.

The Bolthos attended the Air Show at the City Airport on Monday and report it quite a place for father and son interest.

## VERNON J. BROWN

FOR LIEUTENANT GOVERNOR

**BROWN Knows MICHIGAN**

**MICHIGAN Knows BROWN**

### THE DUTIES AND RESPONSIBILITIES OF THE OFFICE

As President of the Senate, the Lieutenant Governor should be fully conversant with legislative procedure and should possess the ability to cooperate fully with the members of the Senate. He is also a member of the State Administrative Board which has a general supervision over all state business. This requires a knowledge of government and its procedures.

In the event of a vacancy, this man becomes Governor. Such a man should be a capable administrator. His long experience qualifies Vernon J. Brown as the candidate of the Republican Party for Lieutenant Governor.

Listen to Vernon J. Brown, Michigan Radio Network, Friday Evening, June 23-10 to 10:15 P.M., E.W.T.

## What can you say to a wounded soldier?

Never mind the sympathy—he doesn't want it! In his mind, he did his duty, and part of his duty was stopping an enemy bullet.

You have a duty, too, in this war.

Part of your duty is to buy War Bonds with every dime and dollar you can.

So simply say "thanks" to a wounded soldier, by buy-

ing your full share of War Bonds in the Fifth War Loan. Don't expect credit—you can't match his sacrifice by merely lending your money. But don't be ashamed, either—if you've done your duty, you've shown your gratitude—the way he wants you to.

Say "thanks" to every American soldier—double the Bonds you bought before.

# Your Next Detroit Edison Bill

*-will look like this*

**SIMPLE,  
CONVENIENT,  
PRACTICAL**

**SAVES PAPER,  
MANPOWER,  
TRANSPORTATION**

**YOUR Edison bill will soon begin to come to you in post card form.**

It will be simpler—easier to read—a convenient size—and more practical in several ways. It will be small enough to slip into your pocket. With all its advantages, it will also help the war effort.

For one thing, the new bill will save paper. Envelopes are eliminated, and this saves 25,544 pounds of paper a year. In addition, the new post card bill will save manpower and transportation.

This is a wartime emergency measure. But we are sure you will like the new bill for its own good features—even without the paper and manpower saving it makes possible. It is a good method that has been tested and proved. People like it.

We believe you will, too.

## THE DETROIT EDISON COMPANY
