WEST FARMINGTON

The family of Mrs. Edith Graham gathered at her home on Thirteen Mile Road to help her celebrate her 77th birthday anniversary on Sunday, July 30. Sixty-one persons were present, including 21 grandchildren, 18 great-grandchildren and three of her grandsons who are in the United States armed forces. Wesley and Wilber Bachelor are stationed in Texas, and Lloyd Graham who was home on furlough, also attended the party. A picnic dinner was served in the yard. Guests were present from Walled Lake, Detroit, Hartland and Pontiac. Mrs. Graham received many gifts.

Mr. and Mrs. Sarantis of Detroit spent this week with their niece, Mrs. William Knapp. Harry Costello is home on furlough and with his wife and infant son, has been visiting relatives here.

Mrs. Mary Carey called on her sister, Mrs. Ellen Graham, who is very sick at Pontiac General Hospital.

Storing Eggs
Eggs can be packed in a water-glass solution in earthen jars, wooden or galvanized pails or wooden tubs. Sterilize the containers with boiling water, then fill the waterglass solution according to directions and carefully insert the clean fresh eggs so the solution covers them. A 6-gallon container will hold 15 dozen eggs. Most drug stores sell waterglass in liquid form ready to mix with water, at a price of about 25 cents a quart.

Egg Noodles
In soup or broth for supper, quick egg noodles can be made by beating one or two eggs with a little salt until foamy, then blending the beaten eggs with flour, using 1/4 cup of the mixture in a thin steady stream into simmering broth, stirring constantly. Cook two minutes and serve at once.

Nutritious Food
Protein foods include liver, kidney, brains and heart. They are rich in protein and nature has stored more iron and minerals in them than in the muscle meats.

CLARENCEVILLE

Mrs. Mary Rutledge

Miss Lillian Hope Raglio of Chicago spent the past three weeks visiting the Robert Morens family of Ontario.

Plan to attend the Auxiliary Ladies Home Made Cake and Ice Cream Social on Thursday evening, next, at Heider's Chain Link Fence on Grand River, beginning at 7:00 p.m.

A number of Youth Fellowship members of the Methodist Church are spending two weeks at Bethany Camp at Wilona Lake, Indiana.

Miss Elsie Johns and Miss Marion Owen are vacationing at Kingsville on the Lake, Ontario.

Young people, members of the Band and those desiring to join the Band are asked to attend a meeting at the High School on Tuesday, at 7:30 p.m. Mr. Mann will be present to talk over arrangements and make plans for the year. Parents are welcome to attend this meeting.

Mrs. Lorenz, Sr., has returned to her home in Detroit, after spending a couple of weeks with their maternal grandmother in Detroit.

Another casualty due to a collision at Middle Belt and Grand River occurred late Sunday night. Accidents at this corner have been numerous and it makes one wonder why a signal can not be placed at that intersection, or at least a sign marked "Danger," one we seem not to see in print enough.

Mrs. Kenneth Burt has an aunt from Wisconsin as her guest this week. They were luncheon guests of relatives in Detroit on Wednesday.

The William Sonnenbergs of Oxford are vacationing at Houghton Lake.

Mr. and Mrs. Mann attended the funeral of Mr. Thelmy's father, who passed away recently at Hadley, Michigan.

The Harvey Barnes are spending this week at their summer home.

A number of neighborhood ladies attended the Daughters of Isabella party given by Mrs. Guerin at Mrs. Villor's home on St. Martins on Thursday.

We are glad to report that Mrs. Manley Kelly, Mrs. Haukanen, Mrs. Morens and Mrs. Williams are much improved following their recent illnesses.

A pack meeting on Saturday evening culminated the Oak Day Camp. The boys made themselves an Indian outfit and the meeting had Indian songs and dances as its theme. The parents were mightily impressed. Clubmaster Meyer was the High Chief for the evening.

Mrs. Robert Gordon and her family of Cambridge returned on Friday after spending a few days at Houghton Lake.

Betty Billings and Martin Shaffer made the trip to Buffalo via D and C Line over the weekend. Residents read with interest the announcement of the engagement of Miss Marian Owen, popular music director at Clarenceville Methodist Church. Hearty wishes for much happiness are extended.

Mr. David Ryall returned to the hospital last Friday with an infection in his arm, the result of a bruise inflicted at the time of his recent automobile accident.

May's Riding Academy of Eight Mile Road, had a cow feed, following a snake bite. A few poisonous ones are around, and this year's extremely dry weather has brought them into the open.

Clarenceville ladies would be doing a fine thing for our country, and the boys, if they would make an appearance at the Surgical Dressing Unit in Farmington Town Hall on Monday and Wednesday evenings, and all day on Tuesday.

Mrs. Karl Ritter of Eight Mile Road is visiting with her sister in Kalamazoo.

Mrs. Pink Larry, Charlene Jenkins, Carl Bailey, Clifford Culham and the Axel Rutilla family spent Monday at Bobo.

About 47 girls attended Girl Scout Day Camp last week. On Wednesday and Thursday, Mrs. Karl Ritter of Eight Mile Road, read to the girls. They all enjoyed this feature of the program.

LOCALS
Mrs. William Knowlton celebrated her birthday Saturday evening at her home, 38865 Grand River. Square dancing and refreshments were enjoyed by many friends and relatives.

Mrs. Minnie Bradley has returned from a visit of several days with Mrs. Nellie Dickerson at Lake Chemung. While there, Mrs. Dickerson and Mrs. Bradley made a call at the home of Mr. and Mrs. Ed Baker, 2800 Norton Road, near the Fred Becker home.

Howell, also at the home of Mr. and Mrs. Frank Allen near Howell. The Baker family and the Allen family were previously Farmington township and Farmington residents.

Mr. and Mrs. Joe DeBeau and two daughters, Beatrice and Dorothy, and grandson, Billy Joe Rogers, and Alfred Johnson, all of Detroit, were Sunday evening supper guests of Mrs. Max Knight.

Mrs. Emma Weidner of Cleveland and Mrs. Casper Kells and daughter, Leah Jo, of Detroit, call at the home of Mr. and Mrs. Ed Baker, 2800 Norton Road, near the Fred Becker home.

U. S. COAST GUARD CELEBRATES 154TH BIRTHDAY

Established by Congress at the recommendation of Alexander Hamilton, first Secretary of the Treasury, on August 4, 1790, as the Revenue Cutter Service to combat smuggling, the United States Coast Guard this week celebrated its 154th anniversary. The service has the longest record of unbroken service of all the Nation's sea forces and has taken a fighting part in all our wars.

From post-Revolutionary days when it operated a handful of tiny 48-foot cutters concentrating on the collection of revenues for the infant republic, the Coast Guard has expanded in scope of its activities and in size until today it has more than 169,000 officers and enlisted men on its rolls and is fighting the Axis on major sea fronts all over the world.

Peacetime activities of the Coast Guard center around the safety of life and property at sea, aiding navigation and enforcing federal laws at sea. The Coast Guard operates surf stations and cutters to spring into action when storms at sea peril ships and their crews. It operates the Lighthouse Service, the International Ice Patrol, it controls rivers and harbors and the Great Lakes, it continues to fight smugglers and collect revenues. It supervises the safety equipment of merchant vessels.

Since Pearl Harbor, the Coast Guard has expanded in strength under the command of Vice Admiral Russell R. Waesche, now serving his third four-year term as commandant, and has gone to war.

In addition to continuing its quiet and efficient peacetime services as the Nation's maritime police force, the Coast Guard is mounting assault transports, tank landing ships, LCIs, landing barges and rescue cutters on the invasion front of the Pacific, the Mediterranean and the Atlantic. Its combat cutters and destroyer escorts are protecting convoys on ship lanes circling the globe. And many a Nazi U-boat was blasted to the bottom by Coast Guardsmen in the critical days when the German submarines invaded waters close to our shores and constituted a grave menace to American shipping.

Coast Guardsmen landed the

Matines at Tulagi. They were under fire at Guadalcanal. They were in there again at Tarawa. They manned landing barges storming the beaches of Cape Gloucester and Bougainville, Kwajalein and Eniwetok in the Marshall Islands. Hollandia and Wakde and Blak in the invasion of Dutch New Guinea. More recently, when the Navy task forces moved against Japan in the Marianas, Coast Guardsmen were under the terrific Nazi fire that made a literal hell of the beach. Coast Guard crews operated transports, LSTs, LCIs,

and landing barges in these heavily mined waters. A flotilla of Coast Guard 35-footers—dreaded "match boxes" boldy and tirelessly poked amidst wreckage and mines to save the lives of more than 800 American and Allied soldiers and sailors in the first 24 hours of invasion under heavy shell-fire from German shore installations.

It is no wonder that the Coast Guardsmen would—
"... like to find the guy that named the Coast Guard.
And find out just what coast he had in mind."

"17 Babies this week—and he hasn't seen his own grandson!"

"Tomorrow the Doctor was hoping to finish early, so he could take a two-hour train trip and catch a look at his new 4-day-old grandson. E. : up—the phone caught him again. So now he's off to deliver Mrs. Johnson!"

Doctors have always been 'round-the-clock men. But since Pearl Harbor, each civilian doctor is more in demand than ever. He is on call today to an average of 1700 people.

Your doctor's minutes may be lifesaving time... too precious to waste. Help him save time for people who need him urgently, for yourself in an emergency, by remembering these four helpful things when you are ill:

PHONE HIM FIRST. Tell him as clearly as you can what's wrong. Let him decide whether he should come to see you, or you should go to him.

GO TO HIM whenever you are able. House visits take lots of your doctor's time—time when someone else may really need him urgently.

KEEP YOUR APPOINTMENT promptly, don't postpone it; make it at the convenience, so that he can plan his crowded hours better.

FOLLOW YOUR DOCTOR'S ADVICE to the letter—so that your trouble doesn't drag on; get complaints, or need extra attention from him.

SAVE YOUR DOCTOR'S TIME IN FARMINGTON!
