**100% POLYESTER  
DOUBLE KNITS**

**\$7**

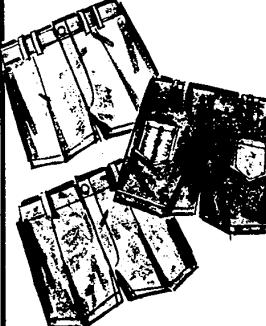

We bought over 10,000 pairs of these high fashion knits from one of the leading manufacturers of styled pants. Permanent press — some with Ban-Roll waistbands. Sold in America's best men's stores for up to \$25.00. We sell all our knits for \$7.00. If you want more for your money, then shop in our stores. We do what Detroit's largest department store and Detroit's largest chain of men's stores has never dared to do, that is, sell nationally advertised brands at less than their manufacturers suggested retail. Usually, manufacturers control retail prices in the fashion-clothing business. That's why you pay the same price for certain pants no matter where you go to buy them. Shop around and you'll notice this definite pattern. Nobody controls prices in our stores. If you don't want to be herded like sheep to pay the high price, then shop at Pants Galore.

COATED --  
LEATHER PANTS**

**made to sell  
for \$25 & \$35.** **\$7**

This is a one time purchase. We were fortunate enough to be at the right place at the right time. This leading manufacturer had over 3500 pairs of leather pants left over from his regular fall line. Because we bought them all he gave us a special price which we pass along to you, as usual. We could really sell these for \$10 or \$12, but we are more interested in giving you a tremendous buy and selling them all than we are in making a killing on this one item. Many other stores could do the same, but they are too anxious to capitalize on their buys and not foresighted enough to realize that in the long run the customer will always come back as long as you give them good value for their money. We are here to stay and each store we open is better than the last, only because, as we grow, our reputation for tremendous buys grows with us. For day in and day out tremendous buys — buy at Pants Galore!

We are passing the steal we made on to you. Come in and buy all you want at this ridiculous price! (WITH THIS AD ONLY)
