

Sterilize Jars
Sterilize jars and glass lids unless the processing time will be long enough that sterilization will take place during this processing. Keep jars hot until used. In using lids with rubber or composition sealing agent, follow directions recommended by the manufacturer.

Protect Porcelain
If the base of your pressure cooker is so large that it extends beyond the heat unit of your prized range and you are afraid the heat will cause the porcelain enameled range top to crack, cut a protective ring of asbestos paper to fit around the unit.

HALLOWEEN PARTY WILL FURNISH LOTS OF FUN

From present indications there will be a record crowd at the Civic Theatre for the big community Halloween Party on Saturday afternoon, October 28, and it looks like one of the best entertainments ever put on in Farmington, for the kids.

The doors will open early, for the program is scheduled to start about one o'clock, so you kids will want to be on hand no later than 12:30. The price will remain just the same—12¢ for all children.

Prizes which will be offered for the best costumes are now on display in the lobby, and include a really wonderful airplane, a tea set, and a baking set, magnifying glasses, jumping ropes, and many other prizes too numerous to mention, but which will make many a boy and girl happy.

On the program, in addition to the regular features, are extra cartoons and comics sure to please the young audience.

Mrs. Harold Jamieson was hostess at her home on Orchard Lake Road, Friday evening, at a show honoring Mrs. David Edwards. Guests were Mrs. Joseph Kirtley, Mrs. Louis Higgins of Detroit, Mrs. Kenneth Wilcox of Dearborn, Miss Doris Pacer of Franklin, Viola Walter, Mrs. Olive Davis and Arlene Fink of Farmington.

JUNIOR HIGH STUDENTS ENJOY SOCIAL EVENT

The October social event for the members of Farmington Junior High School was held after school on October 10. Everyone gathered on the athletic field and either participated or watched the seventh and eighth grades compete. In both instances the eighth grade won over the seventh. The girls played kick baseball, which ended 35 to 6 in favor of the eighth grade girls. The players were Barbara Jones, Joan Pagel, Ann Plumton, Wilma Quick, Jackie Rudberg, Marlene Simpson, Norma Smith, Helen Tamm, Audrey Vivier and Florence Wallace from the seventh grade. The winning team was composed of June Elkin, Anna Ferrante, Alice Fawcett, Velma Goers, Bertha Hipp, Margaret Maas, Elsie Nichols, Evelyn Nichols, Betty Norton, Kathryn Roberts, Dorothy Simon and Mildred Taylor.

The boys played football with a final score of 18 to 0, also in favor of the eighth grade. The players from the seventh were Dick Beam, Jack Boyce, Herbert Deubel, Robert Erickson, Alfred Hadesch, Ernest Hadesch, Chuck Markham, Dick Schreiber, Dick Tupper, Lee Tyler and Jim Yull. On the eighth grade team were Jim Van Every, Ed Bryant, Bill Goers, John Hays, Alvin Lint, Joe Lapham, Owen Mitchell, Fred McLean, Junior Nichols, Bob Peebles, John Ruder, Leonard Thomas and Dick Wheeler.

Since Jack Frost was around, the food was moved to the cafeteria. It wasn't as much fun as cooking over an open fire, but Junior High appetites bridged the inconvenience and everyone enjoyed it.

BAND BITS

— BY BETTY —

Friday, October 6, the Farmington High School Band marched for the Rochester game and a fine job was done. The band also marched last Wednesday for the Walled Lake game. Although it was the second and third time they had marched, new features had been added which are something to look forward to. The band forms into a letter and then kneels so that people standing on the ground can distinguish the letter as it is made.

Soon, Mr. Smith would like to start some work with certain sections for special numbers. He plans to have a clarinet ensemble, concert quartet, trombone trio, flute sextette, Hungry Five, duets, solos and a dance band.

Meanwhile the committee is working on a theme song, but as yet have not hit upon the desirable theme.

Also next week the band will put into operation its month system. This is a system Mr. Smith found to be very successful in his Quincy band, and is designed to bring the band to its peak effectiveness. The band will select a motto and a goal next to inspire the members to greater achievement.

Lois Goers is heading a committee on ordering pencils to sell to raise money for its treasury. Altogether in the instrumental music department of Farmington Public Schools nearly 215 students are enrolled which includes grades from 1-12.

THE CURTAIN RISES — Quentin Reynolds. This is no dusty rewrite of a lot of stale newspaper dispatches. Like all of Quentin Reynolds' earlier books, it takes the reader from one front to another, introduces him to the men who really are running the show. Mr. Reynolds tells about Russia, after two years of war; what the Americans are doing in Iran; Palestine in 1943; the aftermath of the North African Campaign; the real story of the conquest of Sicily; "D" Day at Salerno.

In his new book, Reynolds seems to have discovered in the war zone a great and gorgeous America which he never knew existed before. In the review of his own books Reynolds remarks: "the trouble with Reynolds is that he has spent most of the past three and a half years abroad and does not seem to realize that today the fashion is to be critical of all things American, especially your war leadership."

This book enables the reader to relive the incredible life of a foreign correspondent in the midst of a war that is so big that all the world's news services cannot cover it properly. Reynolds' eye-witness stories of the fight on the Salerno beachhead and his subsequent visit with General Montgomery will be reprinted in anthologies for many years to come.

1 NEVER LEFT HOME — Bob Hope. "I Never Left Home" is a giant omelet consisting of all the eggs Bob Hope laid from London to Biarritz. It is the story of hundreds of thousands of our fighting men in the combat areas, who never quailed in front of enemy guns or dive bombers, and then were confronted by Hope and his troupe. It is the story of the mad, concerted enthusiasm of thousands of soldiers every time they saw Bob Hope step to a loudspeaker—and announce that Frances Langford was going to sing a song.

For those literal folk who want to know what "I Never Left Home" is about, it's the story of Bob Hope's journey among our armed forces, during which he has traveled more than 80,000 miles and played before more than half the entire army. It is composed of about three-fourths straight Hope humor and one-fourth extremely moving tribute to our soldiers. It is a personal adventure story and a Hope's eye view of the war, told by America's Number One entertainer.

WHY

Thoughtful Voters of Michigan Who are interested in Good Government and Responsible Home Rule Will Vote "NO" on Proposal No. 4 on Nov. 7.

1. BECAUSE
This Amendment DOES concern the whole state, not Wayne alone, as its sponsors contend. It is aimed at BREAKING DOWN local government. Attempts to pass a similar amendment applying to all counties were heavily defeated in 1924 and 1936. Then, two years ago the effort to take one county at a time began. Again they failed, but the defenders of local government must now rally to decisively reject this proposal for all time.

2. BECAUSE
Proposal No. 4 would destroy the two-party system of government, as American as the Liberty Bell, by substituting "nonpartisan" candidates for county offices, all of whom would be elected AT LARGE and responsible to no group!

3. BECAUSE
Detroit's present city and legislative officials, now elected AT LARGE, have been notoriously inefficient and corrupt. In grand jury actions one-third of the city council, the MAYOR and a host of police officers were indicted and convicted. The majority of Detroit state legislators in 1944 were indicted and convicted of graft!

4. BECAUSE
By giving two-thirds control to Detroit, Proposal No. 4 would destroy home rule for 11 cities and 18 townships in Wayne county. Detroit's debt has soared over 1,000 per cent since 1919; Wayne county's debt, due to thrifty government, has decreased 13 per cent!

That's why the Michigan Institute for Local Government and the Committee for Representative Government join in urging you to
Vote "NO" Proposal No. 4
