A SERIOUS MESSAGE

To Every Michigan Voter!

THOMAS E. DEWEY
for President

HARRY F. KELLY
for Governor of Michigan

Through New-Deal-controlled depression, for 10 years we have seen our liberties disappear. Year after year, millions have been forced to live on New Deal doles. Even Churchill, in 1937, accused the New Deal, through its persecution of capital, of forcing the world back into another depression! To restore our liberties, protect our freedom of speech, our vote and our opportunities to progress, vote for Dewey's program. To preserve good government in Michigan, re-elect Governor Harry F. Kelly!

DEWEY'S PROGRAM:

An administration devoted to public service instead of bureaucratic bickering.

An administration working in harmony with Congress.

An administration in which the Cabinet is restored as a responsible instrument of Government.

An administration in which you will not have to support three men to do one man's job.

An administration which will root out waste and bring order out of chaos.

An administration which will give the people of this country value received for the taxes they pay.

An administration made up of the ablest men and women in America who will receive full authority to do their jobs and will be let alone to do them.

An administration free from the influence of Communists and the domination of corrupt big city machines.

An administration in which the Constitution is respected so that the liberties of our people shall again be secure.

An administration which will devote itself to the single-minded purpose of jobs and opportunity for all.

KELLY'S RECORD:

Distribution of blood plasma to civilians, a program which the medical profession says is saving 1,000 lives a year.

Statewide tuberculosis diagnosis program.

Pioneering in postwar adult education and preparing for return of veterans to civilian life.

More adequate aid for dependent children.

Increased assistance to aged.

More liberal assistance to injured workmen.

Correlation of tourist and resort agencies.

Providing recreation facilities for "starved" metropolitan areas.

Youth guidance program designed to prevent delinquency.

Orderly future planning under State Planning Commission.

A farm program administered and approved by practical farmers.

Should the incompetent, radical-supported New Deal continue, we may end with dictatorship. THIS may be your last chance to vote for the preservation of your freedoms.

VOTE *Straight* REPUBLICAN

Michigan Mirror

(Continued from Page Two)
men who don't have corsets to do too much sitting down."—Gracie Allen, commenting on threat of British women to stage sit-down strike if corset shortage isn't relieved.

"Most girls under 20 are too immature to be running lobes in Washington."—Ray H. Everett, exec. sec'y Society Hygiene, urging that all "teen-age gov't girls" be sent back home.

"You can't win wars with a warehouse. A depot can't fight. It takes men to man machines."—Herbert R. Hill, news analyst, emphasizing importance of ground forces in coming Pacific war.

"I don't know why I did it. It just seemed like a good idea at the time."—Edward J. Dorego, inspector, who hurled 2 eggs accurately at "The Voice" (Frank Sinatra) during concert in N.Y. Marooned in the midst of a thousandirate baby-sax fans, 4 policemen were required to escort him to safety.

CLARENCEVILLE

By Mrs. Axel Rutilla

(October 26, 1944)

The Lorenz family of Ontario entertained relatives of Mr. Lorenz from northern Michigan last week.

Mrs. Ralph Gallagher of Ontario was called to Indiana on account of the death of her sister.

Eileen Holroyd spent the week end with friends in Inlay City.

The Methodist Church gave another musical on Saturday evening with Miss Elsie Johns' uncle the main speaker of the evening, he having been engaged in choir work in Grose Pointe the last 35 years.

Mrs. Harvey Barnes had her aunt and cousin from Lansing as guests on Saturday.

Mrs. Leslie Mead and young son, Cayce, left on Sunday to visit with Private Mead in Camp in Texas.

Sorry are the two boys who Sunday took aim at one of the fat squirrels which roam our trees, and the whole neighborhood ran out at them. The squirrels have become quite the pets of the community. Hunters seem more plentiful this year, and even the 14 and 15 year olds are out with their guns. It seems as those areas as thickly populated and congested as ours should have some sort of ordinance to prevent hunting within these limits, particularly when so many children are playing on the streets and roaming about the fields after school hours. Common sense seems the answer to the problem.

Fire broke out in the grounds at the rear of Botsford Inn Saturday evening before dusk. The whole countryside is in perfect condition for lighting, and we all must be on the alert at all times.

The Art Walshs of Colwell celebrated their 18th wedding anniversary in the company of a party of eight, at Botsford Inn, Saturday evening.

District 7 of Detroit Area Council started a Scoutmasters' Training Course last Wednesday evening for Scouters and fathers of Scouts, at the High School. The course will continue for six weeks, two hours each Wednesday night, 7 to 9 p.m. The course is run on a troop basis, and the course leaders are Scoutmaster Clinton Haffner, Kenneth Swarthout, Asst. Scoutmaster, and Axel Rutilla, Sr. Patrol Leader, William Campbell, Scribe, Walter Dixon, Quartermaster and Messrs. Adams, Gildon and Middlewood as Patrol Leaders. Those interested in boys, especially dads of our Scouts, are invited to attend the remaining sessions as there is a great need for boy guidance in the community.

The Parent-Teacher Reception

given by the four Mothers Clubs on Friday evening was quite a success. The program consisted of piano selections by Fred Grose and Albert Bolitho, vocal selections by Mrs. Clayton Schlottbeck accompanied by Miss Mary Kearly, readings by Miss Marilyn Johns, accordion selections by Frank Kane and Miss Marion Owen's marimba selections were warmly received by the audience. Miss Elsie Johns gave a short prayer at the beginning of the program. Mrs. Belsor introduced each of his grade and high school staff, while Mrs. Fred Grose of the Eight Mile group made introductions. Mrs. Art Walsh of the Edgewood Group prepared the tea table, which was presided over by Mrs. Albert Bolitho.

LETTER TO THE EDITOR

October 20, 1944

To The Editor:

As a contributor to this worthy cause, I would like to say that if it were not for the kind and generous help which people give every year, there would be many little girls (boys, too) who would be worse off than the dolly "with a hole in her stocking." They would have no stockings at all, as well as shoes, nice new dresses, etc.

I say, let's help these children, again, this Christmas, more than ever, with shoes, nice warm long stockings, pretty new dresses, and toys, too. They will appreciate it!! Thank you.

A Reader.

KEEP DONDERO in congress
REPUBLICAN ABLE and EXPERIENCED

A man with a record of faithful public service.

Ranking Republican on Committee on Education; second in seniority on Committee on Rivers and Harbors.

A man who thinks and acts in terms of the welfare of the Nation.

A man of influence and achievement in the halls of Congress.

Reelect **CONGRESSMAN DONDERO**
for Continued Outstanding Representation in Congress

Table Delicacy
As a table delicacy the carrot ranks high only with home gardeners who know the supreme tenderness and flavor of young carrots as large as a little finger, pulled from the garden and cooked within an hour. Until you have eaten these, you do not know carrots. These infant vegetables may be pulled up as a first thinning of the carrot row. Carrot seeds are small, and germinate slowly, in 12 to 18 days. Sow thinly, and mix a few radish seeds with the carrot, so the radishes may come up to mark the location of the row and assist in cultivating safely.

Leather Shoes
Leather shoes worn for garden work need special protection against drying, hardening and cracking, say leather experts. Soil, moisture, and lime all damage leather that is not kept well greased or oiled.

Grapefruit Juice
Canned desert grapefruit juice has nearly twice as much vitamin C as tomato juice, nearly five times as much as pineapple juice, more than six times as much as mixed vegetable juices, and more than four times as much as sauerkraut juice, research data just released at the University of Arizona shows.

FARMINGTON, MICHIGAN

FACTS about Proposal No. 4

1. Elected officials of local governments in 83 Michigan counties are vigorously opposed to Proposal No. 4 which imposes Detroit rule on 11 cities and 16 townships in Wayne county. It constitutes the existing wedge for destruction of responsible government in every county of Michigan.
2. It vitally concerns all of Michigan. The so-called county home rule plan FIRST applied to ALL counties. It was beaten by Michigan voters in 1934 and 1936. The Wayne county scheme was rejected in 1942. Let's hurry this threat for all times! Defeat Proposal No. 4!
3. Let Detroit clean house first in Detroit! Here is the record of Detroit city officials and Detroit state legislators, now elected AT LARGE.
CONVICTED! One-third of Detroit city council, mayor and many police officials.
CONVICTED! A majority of Detroit state legislators in 1944.
Proposal No. 4 would impose AT LARGE elections with non-partisan ballots upon Wayne county, despite Detroit's record of corruption under that system.
4. Proposal No. 4 would destroy responsible county government. Wayne county has the lowest tax rate and bonded debt of any county of its size in the nation. Contrasted to the county's 13 per cent debt DECREASE since 1919, Detroit's debt has soared more than 11 times—\$30,627,233 to \$332,125,738. Detroit city taxes have doubled, while the county tax rate goes downward—dropping another 14 cents on Dec. 1, 1944.
