THE PRINCETON AFIRE

SOUNDPHOTO FROM U.S. NAVY—A Pacific fleet cruiser pours streams of water into the stricken carrier Princeton, which was hit by Jap bombs during the second naval battle of the Philippines. The cruiser aided in the transfer of the Princeton personnel. Small group of planes aboard the forward flight deck had been launched earlier in the day against the Japs. Pilots were in ready room preparing for another takeoff when bombs struck the carrier.

ling friends here. He has a ten-day furlough. Private Aga Woodworth of the Marines, stationed at San Diego, California, was pleasantly entertained by a party of 15 friends at the home of Mr. and Mrs. Al Willis. The guests were present from Howell, Walled Lake and Northville. Refreshments were served at a late hour. Private Woodworth, whose home is in Wilkom, was on a 15-day furlough. She left on Saturday to report back to duty. Mr. Edgar Keck of Grand River Avenue, while shredding corn last Thursday had the misfortune to have his face badly cut by a flying spalk, and was immediately rushed to the doctor where several stitches were taken in his face. At this writing he is reported on the gain. Mr. and Mrs. Frank Tamm of Grand River entertained for several silver wedding anniversary on Saturday evening, there being about 40 guests present from Detroit, Royal Oak, Northville and Novi. Dancing was the diversion of the party after which a lovely buffet lunch was served. Mr. and Mrs. Tamm received money, silver and many beautiful cards, as well as flowers, and their nephew baked and presented them with a lovely tiered cake. At a late hour they departed, declaring their host and hostess an ideal pair, and wished them another 25 years of happily wedded life. Mrs. George Waite and Mrs. Maggie Waite spent a couple of days the past week at the home of Mr. and Mrs. S. R. Marks at Corunna. Mrs. Marks will be remembered as Mrs. Ethel Thayer.

NOVI NEWS

By Mrs. George Waite Mrs. Gladys Kaluzny attended a luncheon in Toledo on Wednesday. Mary Jane Burgess of Beck Road entertained her senior class of Walled Lake High School at a hay ride party on Friday evening, at her home. After the ride, the balance of the evening was spent in dancing in their new garage, and a wicker roast followed, after which her 50 guests departed, acclaiming her an ideal hostess.

Mr. and Mrs. George Hines entertained at a dinner party on Tuesday evening. Their guests were from Grose Point. Miss Virginia Kaluzny accompanied Miss Margie Rowe of Farmington to a roller skating party at Edgewater Park given by the Diesel Company, where both girls are employed.

Mr. and Mrs. George Hines were Sunday visitors at Armida. On Saturday evening Mrs. Mary Shaw of 12 Mile Road entertained twelve couples at a hay ride party, and on their return were served a hot chili supper, after which they all attended the Rebokah Dance at the hall.

The Board of Commerce is serving supper on Thursday evening at the school. The wives of members are invited also. Mr. and Mrs. Fred Garlick and Mr. and Mrs. George Atkinson were Port Huron visitors on Sunday, where they visited Mrs. Lena Atkinson and family.

Ed Wood of Grand River is seriously ill at his home, and under care of a nurse. Mrs. Clara Putnam and Mrs. Ruth Putnam gave a shower at the home of the latter on Grand River Saturday afternoon, for Mrs. Etta Schwartz. Games were the diversion of the afternoon, after which refreshments were served. Everyone reports a good time.

Mr. and Mrs. George Lien of 12 Mile Road were among a party of guests at a turkey dinner served at the Palm Beach Club, honoring Mr. and Mrs. Helwig of Detroit, on their forthright wedding anniversary. Mrs. Clayton Carter was a Sunday visitor at the Harry Watson home. Technical Sergeant Malcolm of Fort Knox, spent a few days vis-

THE OLD JUDGE SAYS...

"That's really a great editorial you just read to us, Judge. What do you say to it?" "In 'The Stars and Stripes'... the newspaper of the U.S. Armed Forces in Europe. Kind of gives us folks back home something to think about, doesn't it, Bill?" "It certainly does, Judge. Particularly the last paragraph. Would you mind reading that again?" "Glad to, Bill. It says, 'We can remember

the days of prohibition, when moonshine whiskey made quick fortunes for bootleggers, crooked politicians and dishonest police officials. As a result, we claim we know what we want in the way of liquor legislation and feel that at home should wait until we return before initiating further legislation on liquor control.' "Out of fairness to our boys over there fighting, Judge, how could we do anything but wish?"

DETROIT EDISON LINES. Timely items of interest and value... helpful suggestions about cooking, lighting and appliances.

SAVE ELECTRICITY... Electricity requires coal for its manufacture. Thousands of tons are burned every day in Detroit Edison power plants. Every time you turn on an electric switch in your home, or plug in an electric appliance, you are actually burning coal... 29 MILLION TONS! As a part of the nationwide National Fuel Efficiency Program to save 29 million tons of coal (or their equivalent) this winter, 1,800 business establishments—large and small—in southeastern Michigan have enrolled to put into effect fuel savings for this year's heating season. Coal rationing can be avoided if everybody helps by saving fuel!

GLIDING THE HOT DOG... Meet the humble hot dog in a glorified dish, presented by our Home Service Department: Crown Roast of Frankfurters. Arrange Frankfurters to form a crown in a shallow baking pan. Place stuffing in center and tie bacon strips around frankfurters to hold them in place. Sweet Potato Stuffing. Add one cup dried celery, one tablespoon minced onion, two tablespoons melted butter and 1/2 teaspoon salt to three cups mashed sweet potato.

CONVERSION... The Dime and Ford Buildings in downtown Detroit have operated their own power plant for 31 years—and now have changed over to using Edison electricity and steam. 1,300 tons of coal and 120,000 gallons of fuel oil will thereby be saved for the war; it is estimated. Practically all the big buildings in downtown Detroit—one hundred million dollars' worth of them!—operate without furnaces or boilers. For light, heat and power, they depend wholly on Edison service. You save coal, transportation and manpower when you save electricity. —The Detroit Edison Co. Serving more than half the people of Michigan
