It has been necessary to change Poppy Day in Farmington. This change is brought about in a true sense of cooperation with State and National organizations decreasing Poppy Day to be Thursday, Friday and Saturday, May 24, 25 and 26. The original Poppy Day or "Buddy Poppy Day" of the Veterans of Foreign Wars was usually the Friday and Saturday before Memorial Day. It is therefore better that all organizations selling poppies do so on the same days, as it will cause less confusion among the general public. "Buddy Poppies" of the Veterans of Foreign Wars will be available to everyone at whatever they wish to.
