

Service Notes

Donald Ferguson, son of Mr. and Mrs. Carson Ferguson, left July 23rd for Camp Hood, Texas, where he is now receiving his basic training.

Pfc. John Bedson is home on furlough from Germany. His wife has also arrived from California to join her husband here.

The 533rd Quartermaster Railroad Company is in Camp Chicago near Reim, France, being processed for redeployment in July to the United States for furloughs before leaving for the Pacific. Highlight of the 533rd's 11-month stay in Europe was the operation of a railroad at the Rhine River, German town of Bonn. Prior to moving to Germany the men of the unit were stationed at Chorbouf for five months where they supervised the unloading of 150,000 tons of food, clothing, equipment, gasoline and oil which they immediately shipped forward to combat troop depots.

Sgt. Donald W. Orwin of 29725 Farmington Road is a member of this unit.

Private Jack Roberts, son of Mr. and Mrs. D. A. Roberts of the Civic Jewelers, recently won the best bout prize in a match at Fort George G. Meade, Maryland. According to "4-Bits," the camp paper of the Fourth Regiment, AGF

RD 1, Roberts "decided" Goyce in a fast and thrill-packed match.

Fellicity E. Stevens has completed her hospital basic and now has a T/5 rating with corporate rank. She is assigned to Percy Jones Hospital. Her brother, Corporal William Stevens, is in Texas after 33 months overseas. Another brother, Harold, is in the 1st Marine Division, and has been to Guadalcanal, the Russell Islands and through the Okinawa campaign. He is now at a rest camp there.

Corporal Bill Woodcox, with his wife and son, is on furlough and visiting with Mr. and Mrs. V. Woodcox, Deering Road.

Donald Larson and Elmer Cathman were among those inducted into the armed forces this week.

Mr. and Mrs. John W. Hunt of Oakland Road have received notification that their son, John, has been assigned to the 30th division. For the past month Pvt. Hunt has been stationed at Camp San Francisco No. 17, near Paris, France, after having previously been assigned to various locations in the European Theatre of Operations. His new address is: Pvt. John W. Hunt, 36925158 Company "L", 319th Inf. APO No. 6, c/o Postmaster New York, New York.

While on furlough in Paris, Pvt. Hunt reported that the American Red Cross was doing a tremendous job there and was greatly appreciated by the G.I.'s.

Alfred G. Jones, former Farmington City Commissioner, was accepted for service in the United States Navy, and is now training at Sampson, New York. He writes: "The third day I was here, I was on duty in our company office when I walked Rennie Bacon. Rennie had heard that a guy named Jones from Farmington was in Ft. Belvoir. He himself is in Ft. Belvoir, just three doors up the street. We had quite a session of 'shooting the breeze' and I'm sure we both felt better knowing there's someone from home close by."

Forty-three men of the 311th regiment of the 78th Light Division have received the Combat Infantryman's Badge for "team play" against the enemy. Among the soldiers receiving the award was Pfc. Edgar H. West, husband of Mrs. Irene West, 21419 Tulane and son of Mr. and Mrs. Henry West of Oakland Avenue.

Mrs. Leon Robinson received a telephone call from her husband on Friday evening, stating that he had arrived back in the States from the European Theatre, and was in Boston. Leon is expected

home on 30-day furlough.

Annabelle M. Hupert, Seaman Second Class, of 28908 Orchard Lake Road, has completed her basic training and indoctrination course at the Naval Training School (VNR) The Bronx, New York and has received orders to report for duty at the Field Branch Bureau of Supply and Accounts, Storekeeper, at Cleveland, Ohio. Annabelle is a graduate of Farmington High School, and was employed with the Ford Willow Run Bomber Plant, Ypsilanti, as a "stock chaser" prior to enlisting in the service. She is the daughter of Mr. and Mrs. Edward H. Hupert of the Orchard Lake Road address. Her brother, Leo A. Hupert, F 2/c, is in the Navy and her uncle, Pfc. Forest L. Hupert, has just returned from Germany.

While in school here Seaman Hupert won letters in basketball, and she was cheerleader for three years.

Hit a glancing blow by a Japanese shell that struck him as he lay in his foxhole on "Weed Ridge Hill" during the battle for Iwo Jima last March 8, Marine Private First Class Robert G. Larsen, 23, has been returned to the Naval Hospital in San Francisco for treatment.

"That shell came pretty close to getting me," said Larsen. "It hit me a glancing blow and then buried itself several inches in the ground without exploding. Had it exploded I hardly think I would be here today. Iwo Jima was far being any picnic. We had few places in which to take cover from the Japs on the high ground and in the caves. It was tough getting at them."

Larsen, who enlisted in March, 1942, is the husband of Mrs. Eleanor Larsen, who lives in Pleasant Ridge. His parents, Mr. and Mrs. T. L. Larsen, live at 2423 Orchard Lake Road. The Marine, who served for a year overseas as a member of the 25th Regiment, Fourth Marine Division, formerly attended Wayne University in Detroit.

Sgt. William L. Houle, husband of Mrs. Shirley R. Houle of 36219 Thirteenth Mile Road, has been assigned to the occupational air force as a member of the 2nd Bombardment Group, a veteran B-17 Flying Fortress unit with the 15th Air Force. He has served five months overseas as an aerial gunner and has flown eight combat bombing missions.

Corporal Norbert Polcyn is headed for the United States after completing processing at Camp New York, one of 17 similar redeployment camps in the Assembly Area Command in northeastern France. Since arriving at Camp New York, the men of the 49th have had their records thoroughly checked, have taken physical examinations, and have had all clothing checked and brought up to date. Corporal Polcyn lives at 21539 Waldron Avenue.

LOCALS

Mrs. Clinton M. Dix of Cass Avenue has returned from Bay View after attending the funeral of her only brother, Fred M. Shouwell, who died suddenly from a heart attack on July 30. A sister, Mrs. Sadie L. Tucker of Detroit, passed away in May, leaving besides Mrs. Dix, another sister, Mrs. Carman H. Scarrow of Detroit and Bay View.

Mr. and Mrs. Otis Jensen attended the funeral Saturday of Mr. Truman Munroe in Plymouth. Mr. Munroe had many friends in Farmington and had lived 100 years, he would have been ninety-six years old.

Mrs. Ralph Noble and Mrs. Charles Pettibone visited in Lansing Friday. Mrs. Noble visited at the home of her cousin, Mrs. Gady, and Mrs. Pettibone called on Miss Ruth Elden.

Born to Sgt. and Mrs. William Houle, a daughter, August 1st, in Lindenhurst, New York. Sgt. Houle is stationed in Italy. The baby weighed four pounds, eleven ounces. Mrs. Houle was formerly Miss Shirley Flowerman.

The Clarenceville Mothers' Club wishes to extend their sympathy to Mrs. McWhirter of Lathrop Avenue, on the recent death of her brother.

Try Impached

An impeachment is an accusation only and does not mean that the person necessarily is guilty. The trial follows. An official of the government may be impeached and not convicted, as happened to Pfc. Anderson Johnson. He was impeached in 1939 for violating the tenure of office act, for corrupt use of the veto power, interference at elections, and other high crimes and misdemeanors. Nineteen senators declared for his acquittal and 25 voted him guilty. As the votes lacked one of the two-thirds required to convict him he was acquitted.

LEGAL NOTICES

LEON B. HUBBARD, Attorney,
1015 Brady Street, Pontiac 12, Michigan
STATE OF MICHIGAN
IN THE CIRCUIT COURT
FOR THE COUNTY OF OAKLAND
IN CHANCERY

ROSALIE GREEN, Plaintiff,
vs.
WILLIAM GREEN, Defendant.
ORDER OF PUBLICATION
At a session of said Court held at the Court House in the City of Pontiac, Michigan, the 26th day of July, A.D. 1945.

Present: H. Russell Holland, Circuit Judge.
It is satisfactorily appearing by affidavit on file that William Green is a resident of the State of Michigan, and that he does live on Embassy Boulevard in Nashville, Tennessee.
It is ordered that the said William Green appear and answer the bill of complaint in this cause within three months from this date, or that the said bill be taken as confessed against him; and it is ordered that this Order be published according to law for that a copy of the same be personally served on the defendant by registered mail.

A True Copy
Lynn D. Allen, County Clerk.
By Ruth E. Windstar, Deputy.
Dated: 8-8-45.

MICHIGAN FARMERS
WARNED TO AVOID
LAND SPECULATION

CHICAGO. — Michigan farmers were warned not to let prevailing high food prices lure them into the pitfalls of land speculation and over-expansion, in a statement made public here by the Middle West Soil Improvement Committee.

"Such a step brought economic ruin to many in the wake of World War I," the statement points out. "It can bring disaster again this time."

"After this war, American farmers will be in the wake of World War I," the statement points out. "It can bring disaster again this time."

"The government is already planning to give homesteads to service men. When this is done, the owner of an expensive farm will be in a tough spot to produce crops in competition with a man who has no capital investment in the soil portion of his food factory."

"The only way the American farmer can successfully meet either local or world competition in the post-war years, is to produce crops at a lower cost per unit. In such a program, the steady use of mixed fertilizers will be an enormously important factor. More bushels per acre can, and will mean, more food from less land. It will also mean more good food per bushel."

"Therefore, the wise farmer will be the one who does not buy more land, but who increases the crop yielding capacity of his present land by soil improvement, by the application of mixed fertilizer, containing nitrogen, phosphorus and potash will actually make two stalks of corn grow where one area has."

POISON IVY

HOW TO KILL IT

Kill the outer skin. It peels off and with it goes the toxic infection. After application is enough. Get Tool solution at any drug store. It's powerful. Some itching quickly. Your skin looks better tomorrow if not placed. Today at Smith-Brosley Drug Co. Aug. 9-45

Control Flea Beetles
These common garden pests—flea beetles—which attack cabbage, turnips, tomatoes, potatoes, egg plants and beans, may seriously damage young seedlings. The thorough dusting or spraying of the plants with a 1 per cent rotenone mixture will control them. On plants where the leaves are not to be eaten, 30 per cent cryolite dust mixture or spray can be used.

Avoid Streaks in Dyeing
Satisfactory results can be obtained in redyeing discarded pieces of clothing to extend their usefulness. After dissolving the dye in about one cup of warm water, strain it through a thin muslin cloth before adding it to the dye bath. This eliminates the undissolved particles of dye which are apt to cause streaks in the material.

TRAGIC MYSTERIES
from New York's Bureau of

MISSING PERSONS

Yearly 32,000 men and women vanish in New York City and join the famous roster of the Bureau of Missing Persons. How detectives track down these tragic people will be revealed in a series of articles "Whereabouts Unknown," by noted writer Inez Robb

CHANGELESS
In a Changing World

Today the world is a scene of amazing changes. Wartime restrictions show their influence in every sphere of life. Even marriage customs are altered to suit the expediency of war. There are furlough weddings in double time . . . a scant and simple trousseau.

But with all these innovations it is good to remember the changeless beauty of genuine Orange Blossom rings whose perfection admits of no change—whose excellence is everywhere recognized. And best of all, these quality-fine rings are surprisingly economical to buy.
