Press Buttons Lightly
When pressing on the wrong side
of the garment, use a very light
touch over buttons. When pressing
on the right side, approach buttons
carefully with the point of the iron,
or they may be pushed off, taking
some of the fabric with them.

Stretch Drinks
When making lemonade or or-
angeade, run the oranges or lemons
through a food chopper. You'll find
the juice will go twice as far and
taste fruitier.
