

# MISS BRADBURY TO BE MARRIED SATURDAY

Margaret Louise Bradbury has chosen September 15 as the date of her marriage to William Robert Drake, Lieutenant in the Army of the United States. The ceremony will take place at three o'clock Saturday afternoon in the Salem Evangelical Church in Farmington, with Rev. William Young of East Lansing officiating.

Both young people are graduates of Michigan State College.

the groom in 1941, and Margaret in 1945.

Margaret is the daughter of Mr. and Mrs. Alford Gay Bradbury, 24500 Inkster Road.

Lieutenant Drake has served overseas for the past two years in Africa and Italy. He is a technical officer in the Radar Division of the Signal Corps, and is now on a thirty day leave, while en route to the Pacific. He is the son of Mr. and Mrs. E. R. Drake of Hastings, Michigan.

## Kennel Club To Hold Puppy Match

The Ingham County Kennel Club will hold an All-Breed Puppy Match on Tuesday, September 13, at six o'clock in the evening. Anyone desiring further information may call Fordham at Townsend 7-2202.

William L. Bryant, Sept. 16  
Robert H. Paul, Sept. 22  
Norman C. Lee, Sept. 24  
Myron J. Carrier, Sept. 26  
James Fanzini Jr., Sept. 30

Many of the charter members are turning out for the meetings. Four of the above were received in at the last meeting on the 5th of September. They are James Fanzini Jr., Harvey Bartsch, Edwin Scates and Tom Watson Smith. All have been discharged and are home to stay.

James is working on his new house, and some of you fellows could go out and give him a lift while you are resting. Harvey is sure in good spirits for a fellow who has been through the mill and we know he will make good. Edwin has a steady job and he has been around for a while, settling down to married life just like he had never been over there three years. To Tom the distinction of being a brand new member is narrow, but he has served a long while and was overseas with Patton's army from beginning to end. We welcome him to Farmington Post 4033, and he and his wife and baby to Farmington. Tom had been in the Army since 1941 and is already settled down with a good job. We sure like to see these veterans of overseas service, and with battle wounds, come home and start in just like nothing had happened at all. Good luck, all of you.

It seems that certain rumors are in the air about servicemen not being able to get a job unless they are experienced and that some employers are not giving them a fair deal. Also a disabled veteran does not, under the law, have any claim on a job as he has to prove that he can hold his old job, and of course, being disabled, the employer has an out if he does not wish to hire him. We'll get to work, fellows, and bring in some protection for those buddies. I guess some people can't read the writing on the wall.

Everyone out at next meeting. Important things are happening on September 19 at the Town Hall at 8:00 p.m.

The Michigan State Department, V.F.W., has just informed Quartermaster William Carpenter that as an added inducement, five comrades recruiting new members for the last quarter of the fiscal year, ending December 31, he may also include a brand new Victory 1945 dues card, good for the entire year of 1946.

And tomorrow the hurt will still linger.
