WEST POINT PARK
By L. A. Ault

At the home of her mother, Mrs. Jack Tallman, Mayfield Ave., Mrs. Fred Shelman tendered a miscellaneous shower last Wednesday night to Miss Joyce Chavey, now the bride of David R. McWhinnie. Younger women and girls of the neighborhood participated and the party was a success in every way.

The wedding of Miss Joyce Chavey, only daughter of Mr. and Mrs. Stanley Chavey of Mayfield Ave. was an event of Saturday evening Sept. 30th, in the Redford Baptist Church. The appointments were very lovely. The groom, David R. McWhinnie, is now home on furlough only, so the young couple will wait his final discharge before setting up housekeeping.

Until then, Mrs. McWhinnie will continue to reside with her parents.

Friends of Miss Doris Gilbert, whose home was formerly in West Point Park, have received invitations to her marriage, which is to be held in the Metropolitan Methodist Church, Detroit, next Saturday evening. The groom is a young soldier, home on furlough.

A fire on Hubbard Ave. between Norfolk and Penbrooke attracted a considerable amount of attention Saturday about noon. A building on what is now known as the Gad property and which was used in preparing poultry for market, caught fire, presumably from a faulty oil stove, and was burned to the ground. Several fire trucks responded to call and prevented the blaze from spreading to the residence. It is believed damage of around one thousand dollars was inflicted.

Mrs. J. W. Ault, who was taken seriously ill last days ago, was resting a bit more comfortably this last week end.

Mrs. Norman Kauranen is quite ill.

Mrs. Harold McVicar and her fine new little son, Robert Deane, arrived home from Mt. Earnest hospital early in the week.

Rev. Lester E. Ault, from Washington, Pa., arrived here last Wednesday morning to spend a few days visiting his mother and other relatives here.

Mrs. J. J. Slevin and daughter, Mrs. Ruth Phillips, of Uniontown, O., spent the week end visiting relatives here.

Rev. and Mrs. Gordyn Cameron of Redford were again calling in West Point Park during the week.

Mr. and Mrs. Herman Kayser from Huntington Woods visited their aunt, Mrs. J. W. Ault, Sunday afternoon.

Staff Sgt. Robert M. Hunter, visiting with his mother, Mrs. M. E. Ault, on Mayfield Ave., spent a few days of his leave visiting relatives in northern Ohio last week. Bob, who hopes for a discharge early in the next year, returned to his Clovis, New Mexico Air Base Saturday.

Mrs. Rudolph Tanner was a visitor in Detroit last Thursday.

Mr. and Mrs. Albert Owen were visitors in Northville the middle of the week.

Martin Adds, who has been ill for two weeks, is considerably improved.

Mrs. Alice Sherman, Farmington Road, has returned from a week's visit with relatives in Traverse City. She was accompanied on her trip by her daughter, Mrs. Kenneth Owens, Mrs. Kenneth Owens and the two Owens children.

Clara Ault will be among the visitors to Plymouth this week.

Mrs. Margaret Martin, with some of her Hubbard Ave. friends were visiting in Redford Saturday evening.

Emerson Ault has been home for several days because of his mother's illness.

Rev. Lester Ault of Washington, Pa., addressed the Neighborhood Bible School Sunday morning.

Rev. Axel Edwards, scheduled to speak at the 6:30 p.m. Vesper meeting, could not keep the date, and instead Mr. Ault preached to an appreciative little congregation. It is hoped that Rev. Edwards can get on hand for the service next Sunday evening.

Mrs. William Sherman, Mayfield Ave., is expecting the early arrival of her son, Jack, from England. His wife Virginia, has already received a portion of his belongings mailed from overseas.

Waco Shirley Zwaheen, formerly of West Point Park, has been enjoying a visit with relatives in Redford.

Dan Tallman, son of Mr. and Mrs. Jack Tallman, who has been with the Marines for a lengthy period, has now received his honorable discharge. Since his wife is a girl from California where he has some time been stationed, it is not yet known whether he will remain in that state or return to Michigan.

Soluble Paints
Laboratories are improving water soluble paints for home and factory use. These also are making an one coat fast-drying incopers for automobiles, better and tougher industrial finishes and paints that will stand 400 degrees of heat. Base of these new paints is one or more of the dozen new plastics known as the chemists' resins. These bear the same relation to the natural resins, age-old foundation for paints, that the various synthetic rubbers bear to natural rubber. Because of the diverse qualities of these plastics, paint makers can mix new solvents and new oils with them and develop scores of new paints to meet specialized requirements.

Rich in Vitamin A
Average Vitamin A value of creamery butter produced in the U. S. is more than 15,000 international units per pound.

Eau de Cologne
Eau de Cologne was first made in the Rhine city more than two centuries ago by the Farino family, following an Italian formula. The original formula has been altered from time to time. More than a century ago young ladies in the United States could brew their own cologne.

Registered Holsteins
From a foundation of less than 8,000 animals imported from Holland during the period from 1853 to 1908 approximately 3,500,000 purebred Holstein-Friesian animals now have been registered. Of this number, 930,850 are males and 2,569,050 are females.

Help Your Heart

By Courtesy Of SMITH-BRADLEY DRUG CO.
Certain possible symptoms of heart disease are shortness of breath, heart skips, indigestion, blue finger tips or blue lips, a tendency to tire easily.

Any one of these should send you to a doctor's office. Without any such symptoms, you should occasionally go anyway. Be sure there is no lurking trouble. Millions of people carry a threat within them of which they are totally unaware.

Such a check up may reveal the good news that your heart is perfectly normal. Or, if there is a defect, caused by exercise or other efforts too strenuous, your doctor will advise you how you may help your heart return to normalcy.

When medicine is needed remember there are differences in the quality and patronize a druggist of known integrity.
