FALMAGES'S SERMON.

IMPROVEMENTS IN HEAVEN. SUNDAY'S SUBJECT.

From Revelations, Chapter XXI, Verse 1-3.

And I saw a New Heaven—a Glorious Spectacle.

The accepted heaven does not make adequate provision for the souls of the old earth and in new heaven and earth...

I do not suppose that we are contented to the old philosophy. King James' translators did not make the best of the old and great words in the English dictionary. I suppose if we should take the idea of heaven and translate it into modern phrase, we would find that it is something more than a glorified earth...

The stars and stripes will wave over an island empire in the eastern sea. Oppressed races numbering 5,000,000 persons will be freed and civilized.
