Ismall Temperature Loss
When you open and close the door
to your refrigerator, you lose very
little of the "coid"—much less than
most people think. In fact, engimeer's found by test that opening
a large-size refrigerator the same
number of times a home freezer is
opened each day—even in air as hol
as 90 degrees—increased the electricity consumed by less than 2 per
cent. !

Dried Whole Eggs
Scientific tests concluded recently
by food research specialists of the
department of agriculture show that
good quality spray-dried whole eggs
stored for as much as a year at cool
temperatures compare favorably
with fresh eggs in flavor and cooking outlities.

Northville Friday evening.

Lee Woods and family, from near the Treadwell School, were visiting friends in this section

The youngest daughter of Mr. and Mrs. Posner, Farmington Rd., has been very ill in a hospital but has now been returned to the care of her parents.

Remove Stalas

Since stains set with age, it pays to get at them as quickly as possible, Berry and fruit stains should be treated immediately. Stretch the stained part of the cloth over a pan or bucket. Hold it in place by means of a string. Then pour boiling water on it from a height so that the water will strike, bet stain with force. This method is also good with coffee or tea. To remove blood stains on blankets, mattresses or other heavy material, mix starch and water to a thick page and spread on the stain. Brush off when dry. Repeat if necessary.

By Courtest Of SMITH-BRADLEY DRUG CO.

Thrist at the expense of health is not thrist at all, but folly. Seeing your physician at regular intervals is far less expensive than long bouts with liness which those visits might have prevented.

tilness which those visits might, have prevented.

When you establish good health habits you assure yourself of greater happiness, see your destor at least the property of the prescription, choose the drug list to fill it with the same your and the prescription, choose the drug list to fill it with the same great as you chest the doctor to treat you.

Portable Ports
By means of "portable ports,"
coded as Mulberries, more than 2½
million men were put ashere during
the first 109 days of the European
invasion. Over 17 million jabj tons
of material reached shore during the
same time.

Fatality Causes
Gasoline, kerosene and other petroleum products are among the main causes of loss of life on farms and rank high among causes of property loss in farm fires.

Production Loss
Time lost from farm accidents
year equaled that required to
duce five bushels of wheat for et
person in the United States.

Curbs Fedding
Garments containing acete rayon
may fade due the anny pheric
gases. A final rinse of one-yeaping
teaspoon of washing sodd to one
quart of warm water will reduce
this fading. Don't store acetate rayin conver on near felt land wook on in paper or near felt and This increases the fading.
