The Peach of China

The Chinese have always associated the peach with long life and immortality. This is the reason that it appears in so many old Chinese works of art.

Moldy Growth on Floors

Protect floors and woodwork from mold growth during damp weather by wiping them with a cloth wrung out in water and a little kerosene or a 5 to 10 per cent borax solution.

CLARENCEVILLE

(By Mrs. Axel Rutila)

Not being in the know we await anxiously the signs that will be hung out in front of all the new business places between here and Farmington.

Scouts of CL-1 and CL-2 ushered at the Michigan-Purdue game on Saturday. The boys drew box seats after their chores were finished, and really enjoyed themselves.

Our District Scouters and their wives, including the Silvers, Beisers, Swarthouts, Russells, Dixons and Rutilas went to make up the large gathering at the Scout Banquet at Newburg Church Saturday, November 10. Mr. Silver relinquished his post as general director from our district headquarters, only to take up new duties as Camping Director. The several committee men gave their reports, new committee men were charged with their respective offices, and a Mr. Sinclair entertained with chalk sketches while Mr. Shields from Headquarters gave a very interesting talk. Duncan Moore, formerly of WJR, was toastmaster and tall tales were the order of the evening.

The Junior Hop held at Botsford Tavern on Saturday evening was a lovely party, with the group dancing to the music of the "Orange Blossom Orchestra." Mr. and Mrs. Beiser, Mr. and Mrs. Mann, Mr. and Mrs. McAuley and Mr. and Mrs. Samuels were patrons and patronesses for the affair.

The Henry Robertsons and George Lawrason family have been celebrating this past week with family gatherings and downtown parties in honor of Pfc Orville Robertson, returned from ETO on Monday, following about two years in service. Orville and Mrs. Robertson and little daughter, Marie, are residing on Floral Avenue.

Approximately 75 Girl Scouts and Brownies, with a fine representation of parents, attended the Thanksgiving Service held at the high school on Friday evening. Mrs. Westlake and Mrs. Hallock's Brownies sang, Brownies of Troop 4 gave "Over The River;" Mrs. Smith's and Mrs. Davey's Intermeditaes sang; Mrs. Barnes' intermediates entertained with "Dakota Hymn," marching and folk dancing. While Mrs. Nelson's Intermediates portrayed the "Ten Fields of Scouting." Jane Ann Rutila gave the Thanksgiving Prayer, and Mrs. Carrothers introduced the program. Mrs. Geygan reviewed the past year's achievements and events to come. Such instances make one proud to be a member of such a fine organization. The troops are all busily engaged in Christmas activities and planning their program for December 14.

The Pack meeting at Volney Smith on Friday evening took "Explorers" as its theme and presented skits on the subject. The Swarthout Cubs had made crystal radio sets as their achievement for the month, and families of the neighborhood have now gone back to the horse and buggy days of radio to help out the cause. Dale Monette graduated from Cubs the same evening, into Scout Troop CL 2. Scoutmasters Falkner and Rutila and nine of their Scouts were present for the ceremonies.

Mr. and Mrs. Fred Barnes of California spent the week end with relatives here. Mrs. Barnes remained while her husband returned to Cleveland on business.

Manley Kelly of St. Francis returned from the north, saying he did not fire a shot, and never even saw a buck.

Mrs. Jesse Jatonna, nee Marie Durham of Ontago and her bro- is visiting with her father, Mr. Durham of Ontnago and her brother, Radioman 3/c Kenny who is home on leave after lengthy service in the Pacific area.

Joseph Toth of Eight Mile Road has returned home from the hospital, following surgery.

Mr. and Mrs. Hazel Nelson of St. Francis are receiving congratulations on the birth of a son.

The Band Boosters Club are attending the Breakfast broadcast on Saturday morning.

Supplies Vitamin Needs

One-fourth of a cantaloupe which measures five inches in diameter will give more than a third of the daily vitamin C needs.

In loving memory of Frederick G. Wilkinson who died at Camp Wolters, Texas, November 25, 1942.

Forever in our hearts,
Father, Mother, Brothers and Sisters.
