The Kims, Dr. John and wife Shin, drove to Chicago last week Friday to attend the convention of the American College of Cardiology, cardiology being John's field. They drove home Sunday. Then Shin really went to work. She had invited the Women's Association to hold its March meeting in her home. She had a beautiful luncheon for a Korean luncheon followed by slides of her country. We certainly don't cut up meats and vegetables so fine and cook them so quickly to give them such flavor!

Shin prepared one dish of the chap - chai in front of us. She had a much bigger supply waiting on the stove which certainly was needed for the 36 who attended. Ruth Quevy and Helen Schneider were co-hostesses and they prepared delicious molded salads. After lunch we saw the slides of this beautiful little country. They made me think of our New England's beautiful mountains and lakes.

ANNE HOUSTON is our new Women's Association chairman replacing Ruth Gray who now lives in Houston. Here is a tip for you, Anne. The Grays' house has been sold to a very charming Hungarian couple. The wife does a lot of sculpting and plans to use the huge beamed ceiling master bedroom as her studio. She also teaches art. We have quite a few artists in the village. I'm sure you'll take the hint.

INTERESTING programs are being arranged for Brownie Troop 820. A couple of weeks ago there was a roller skating party at the rink near Northland with 15-18 enjoying it. On March 25 the troop is going to the Farmington Community Center for its production of "Sleeping Beauty."

Better Than Cribbage?

The word association game is always a good substitute when guests grow tired of playing cribbage or skiddies. The game, also used for analysis by psychologists, can be used the other day when reading an essay in "Phoenix Nest" in Saturday Review on uncommon words which can be found in some dictionaries such as bedrip and randem.

THE WORD "randem" was immediately associated with "random sampling." But random refers to a team of three or more horses pulling a load as opposed to "landem" which is a team of two, according to Random House Dictionary. Random lists randem, Webster's doesn't. About an hour after associating "sampling" with "random," I retired for the evening ("retire" meaning go to bed) and conducted a few association rounds before falling off to sleep. Sleep.

10 Mothers Train For Child Care
Ten mothers will participate in the first parental awareness training class being sponsored by Eagle Elementary School PTA of Farmington schools. Joel Cohen, PhD, a certified consulting psychologist, will lead the class. The purpose of the class is to acquaint parents with basic knowledge of the psychological aspects of child care and to assist them in applying it to their own children. The class will include a series of lectures on factors in intellectual, emotional and social development of children. Discussion groups will be held to help those participating to apply the basic principles to their own home - family situation.

sheep, Rounds - boxer, Retire - pension, Conduct - gold star. Play the game in the suburban context, and you come up with such associations as: Multiple - apartments; Bussing - Roth; Uprising - homeowners; Mail - Livonia; Wonderland - mail; Water - wonderland; Dearborn - Hubbard; Plymouth - Pilgrims; Telegraph - death; Farmington - Quakers; Southfield - stadium; Expressways - Detroit; McDonald - farm; and Suburbia - Oberverland. Some associations are rooted in literature, such as: Carpet - baggers; Heart - tell-tale; Scarlet Letter - Red Badge of Courage; Family - Mafia; Comet - Haley; Fence - whitewash; Scarf - sin. That last association needs some explanation. My high school English literature class was studying Washington Square when the teacher asked the significance of the fact that the lass left the cabin in the woods without her scarf. It had to be explained that sin had to be committed inside that cabin; otherwise, a young lady never would have left without being clothed with a scarf. To this day, scarf means sin and I find myself wondering about all those who walk the streets without scarves. Shametul, indeed!
