GAS BRINGS GREATER FREEDOM INTO THE Home

Thousands of Michigan homemakers are today finding new freedom from work and worry in the modern gas home. Like magic this quiet, dependable, economical gas flame will cook the meals and heat an adequate supply of water for the whole family automatically. It protects food and brings the greatest luxury of all, year-round air conditioning that heats the home in winter and cools it in summer, within reach of all.

It's the cleanest, most economical and dependable household servant in the world.

For greater freedom and happier, better living, include the magic of modern gas service in your plans for the future.

SMITH - BRADLEY announces the amazing new

EVERSHARP CA REPEATER PEN

WRITES 3 MONTHS TO 3 YEARS WITHOUT REFILLING
 (Depending upon how much you write)

World's smoothest writing pen. Rolls the ink on dry! It's self-lubricating. Even writes dry when submerged under water.

Writes for 3 months to 3 years on one refill—cartridge.

Reloads—with a cartridge—in 15 seconds.

Can't leak—at any altitude. You can't even shake the ink out.

Writes on any paper or material. Notes, receipts, etc.

Makes 6 to 8 carbon copies at a time.

CA does it!
 CA means Capillary Action—an exclusive Eversharp patent

\$15
