**CLARENCEVILLE NEWS**  
By **MRS. AXEL RUTILA**

Plan to attend the Mothers Club Parent and Teacher Reception at the high school on Friday evening at 7:30 p.m. There will be some good entertainment and refreshments will be served.

Mrs. Harold Hoppe, Miss Max Hoppe of Jackson Road and Mrs. Lloyd Russell of Livonia Township visited in Nashville, Tennessee, last week, attending a famous musical while there.

Our feathered friends are rather upset by the fair weather we are having. The robins are using their spring song, "Cherrup! Cherrup!"

It's mighty nice to report Mr. Hallock's return to his business following a lengthy sickness.

We are sure our good neighbor, Maxwell Smith, will attest to the wiles of Dan Cupid who has been playing havoc with Mr. Smith's recent young lady personnel. He is picking them off at regular intervals.

School lunchrooms at Edgewood and Central Schools began operation on Monday with the same group of personnel. When the lunchrooms were closed in May it was thought shortages were a problem, but they were nothing as compared with shopping these days. Those of the Central School staff were not able to find a bone in town for making soup on Tuesday, but it was mighty tasty, regardless, and not lacking any other ingredients. That same Tuesday when the rendering man came around with his large wagon, with many containers, but there was nary a bone or piece of scrap thereon.

Miss Dorothy Nelson, State Nurse of Howell, and Mrs. Lillie Nelson visited with the Ernest Whitlocks of Purlingbrook.

The Cub Fair was quite a success, due to the hard work of the entire adult organization of the Pack.

Bill Chapman has returned to the management of our town's A & P Store. Bill returned some time ago from lengthy service overseas, and being a popular local young man, we all welcome his return.

Ray Westberg, son of the Oscar Westbergs of Louisa, recently returned from serving 18 months with the Marines, visited Boy Scout CL 2 Troop meeting last Tuesday evening and entertained the group very hilariously with his "bad" sack take-off of a rookie. Incidentally, he will repeat the performance at the Parent-Teacher reception on Friday night.

The Fred Grose family of Purlingbrook entertained a group of Cub Scouts and relatives at a hobo basket picnic last week.

Scouts Carl Bailey and Don Rutila of CL 2 have been notified by Scout Headquarters to be present on Friday evening and Saturday at Camp Howell, to be initiated into Order of the Arrow. These boys were chosen by their fellow Scouts at summer camp as their

choice of candidates for the honor.

Several Eastern Star officers from our community were present at the surprise birthday party for Miss Viola Walters at her home in Farmington Sunday evening.

Mr. and Mrs. P. W. Uhl of Heyden Avenue, South Rosedale, and Mrs. Ruth Pultz of Kansas City, Missouri, Mrs. Uhl's mother, were guests of the Carries of Jackson for Sunday dinner.

Mrs. Fred Grose contributed to an entertainment at the Highland Park Baptist Church with a reading on Sunday evening, a week ago.

Lloyd Samuels met with the parents and pupils of his Biology Class on Tuesday evening for general discussion.

The Scouts of CL 2 set up a model camp at the Cub Fair, and under the leadership of Assistant Scoutmaster Westberg, camped there Saturday night. They contributed to the amateur show at the fair and put on their realistic and aid demonstration, nearly scaring the lady spectators to death.

Mrs. Albert Boltho and her committee are busy making preparations for "Meet the Mission" program and luncheon to be held at the Methodist Church on Friday, October 11.

The Adventist Church group held a family picnic at Cass Benton Park Sunday.

The leaders and committee people of Scout Troop CL 2 met for the organization meeting for the coming year on Tuesday evening and plans were laid for a dancing party to be held in October, to start raising funds for their Washington, D.C. trip.

**JOYCE BILLING IS BRIDE OF WALTER GAGNON**

At an evening ceremony in the Saint Evangelical and Reformed Church on Friday, September 6, Joyce Virginia Billing, daughter of Mr. and Mrs. Clarence Billing of Middlebelt Road was united in marriage to Walter L. Gagnon, son of Mr. and Mrs. Lawrence Gagnon of West Point Park.

The bride, given in marriage by her father, wore a gown fashioned with a bodice of white brocade and long, fitted sleeves, and a drop shoulder yoke outlined with marquisette. The full skirt of marquisette extended into a short train. Her finger tip veil was held in place by a Juliet cap of mother-of-pearl. She carried a bouquet of white gladiolus and pale yellow roses.

The bride's sister, Mrs. Earl Milburn, is the bride's honor, wore a gown of white net, with unbridled bodice and full net skirt. She carried a bouquet of Tailsman roses.

Two of the bridesmaids, Clara and Cora Billing, sisters of the bride, were gowned in pink net, while bridesmaids Irene Gagnon, sister of the bridegroom, and June Humphrey, were gowned in blue net. All gowns were fashioned on the same lines as the honor attendants. The bridesmaids wore caps of net matching their gowns and carried bouquets of Tailsman roses.

For her daughter's wedding, Mrs. Billing wore a fuchsia dress with black accessories, and a corsage of baby mums. The mother of the bridegroom was in a gray crepe with gray and black accessories, and a corsage of baby mums.

Orville Meyer was best man for his cousin's wedding. The bride's uncle, acted as best man, while Wm. Camp Prisk, brother-in-law of the bride, Jack Simpson, Harold Gagnon, the bridegroom's brother, and Harry Warner, acted as the groom's best men.

About two hundred friends and relatives attended the reception which took place immediately following the ceremony in the Odd-fellows Hall, Inkster Road. The couple then left for a short honeymoon at Onondaga, Michigan.

Waterproof Fabrics  
"Water-repellent" is the word for many autumn fabrics that will hit the market's soon. Straw hats that give extra protection by shedding light showers are in prospect, with American-made synthetic straw and straw fabrics being treated with a water-repellent chemical before they are fashioned into summer hats for men, women and children. Another interesting development is tough, light, but water-repellent nylon fabrics that will answer a long-felt need in hunting and fishing apparel. Nylon shoe laces, tennis strings and fishing lines and leaders also promise better sport. Home economists say that the waterproof treatment will help straw hats resist the effects of moisture and perspiration. Finger marks and dust will stay on the surface and can be sponged or brushed off. Handbags of the new straw fabric with the protective treatment can also be expected.
