For the benefit of members who were unable to attend this meeting, the Variety Show will be presented in the spring. Anyone interested in taking part may call Mrs. Materials. Mr. Goddard told of the many improvements which have been made, and the many new materials which have proven far superior to anything before available in the building industry.

V.F.W. To Hold Military Ball Feb. 22

A special military ball will be held Saturday, February 22, Washington's Birthday, at the Farmington High School, sponsored by the Farmington Post 4033 Veterans of Foreign Wars.

Plans have been completed for the ball, Dr. P. W. Potts announced. A top piece Detroit band will furnish the music. Dress will be optional.

A gala grand march has been set for 9:30 p.m. with food served to members of the Auxiliary. Dancing will be from 9:30 to 1:00. Dr. Potts explained that they were unable to get any other date except in Lent, because of the band's previous appointments. He added that this band is one of the finest of its size in the Detroit area.

Tickets will be available in about a week from any Veterans of Foreign Wars. They will also be for sale in a number of local stores.

ADULTS INVITED TO HEAR NOTED BIRD LECTURER

The Michigan Garden Club is sponsoring an illustrated talk at the Republic this Sunday evening, January 26, at 7:30 p.m. in the Republic gymnasium.

Mr. Walter Nickles of Cranbrook will speak to the citizens of the Republic as he shows the movies. Mr. Nickles is a noted ornithologist, and is well known for the bird illustrations he has recorded for the Audubon Society. His lecture on bird life is particularly fascinating and contains a great deal of information and interesting and little known facts about our feathered friends.

The Boys Republic gymnasium is not designed to accommodate huge crowds, and therefore it is not possible to open this lecture to everyone. However, because of the nature of the talk and the unusual opportunity offered, an invitation is issued to all adults who would like to hear this lecture, to attend. Boy and Girl Scout leaders, teachers, and all adults who are particularly interested in bird life, will be most welcome.

LOCAL BOY SCOUT LEADERS ATTEND COUNCIL DINNER

Seven Boy Scouts and Leaders from Farmington attended the annual Clinton Valley Council Dinner at Walnut Lake last Tuesday evening.

The 1946 Annual Report was presented by Mr. Edward Leland, Clinton Valley Scout Executive. A report of activities of the past year was read and objectives of 1947 outlined. The Clinton Valley Council is divided into three districts for administration. Oakland Circle District, of which Farmington is a part, Pontiac District and the Macomb District.

Objectives for the next year include: The rebuilding of Camp Agawam, increased field service to all communities, a sound membership increase in the Boy Scout movement, and an adequate council budget, through strong organization.

Archie Leonard, Farmington, was nominated for a place on the Clinton Valley Council Board. Two Silver Beaver Awards were made.

An open house and shower will be held at the Clarenceville Home Economics House on Thursday evening, January 30, from 6:30 to 9:30 p.m. All residents of the community are invited to attend.

The Home Economics House has been open only two or three weeks, but it is certainly a wonderful addition to the Clarenceville School system. The students have been working hard to complete the furnishings, and have made the cur-

tain, and other necessary items. There are still many small items needed, however, and it is hoped that this shower will help provide them. Towels, dollies, table runners, dish cloths and drying towels and many other small household items would be most welcome.

Attend the shower, and see this new unit of the Clarenceville Schools.
