**The Right Ring for the Left Hand**

In moments such as this there is no substitute for quality. For generations genuine Orange Blossom rings have set the standard of beauty, craftsmanship and value by which all others are judged. There is an Orange Blossom matched pair to exactly suit your taste, whether it favor the artificially simple design, encrusted with gems, or the enchanting beauty of blossoms delicately wrought in richest gold.

could be improved as you know, but on the whole it was so acceptable that once again I want to compliment both teachers and pupils. When I looked at your class schedule and noted the large classes, I was afraid the work would be quite poor. On the contrary, it was especially good. I am sure you will be interested in the forthcoming Leaflet No. 38. It was written before I made the visit to your school and soon after visiting one which disturbed me greatly. I am not trying to have teachers carry heavier teaching loads; I am greatly interested in helping schools to establish conditions in which good work can be achieved without killing off teachers.

I was glad for the opportunity to see the new home-making building; also to see the band in their new uniforms. It is quite apparent that you and the board of education and the community are working together for the good of boys and girls. I take my hat off to a community that places the welfare of these boys and girls first. The very fact that they have retained their school administrator a number of years and have stood by him in his work shows intelligent action. Someday I want to return to your community to see the school again and if possible remain over and become acquainted with parents and board members. I was glad for the opportunity to meet the one member that day.

As a final word I say that I wrote in memoranda, made that day, "I would like to see whether have a child of mine in this crowded school with the teacher load twice as heavy as in "X" school recently visited where the teacher load was unusually light." Also, I should like to meet my distant cousin, Andy Carrothers, whose ancestors likewise came from Scotland. His capable daughter introduced herself to me while I was in the school.

Sincerely yours,  
George E. Carrothers

**POPULAR BAND LEADER TO PLAY FOR V.F.W. BALL**

**GEORGE BEELBY**

George Beelby's seven piece band will furnish the music for the annual Military Ball to celebrate the birthday of George Washington on Saturday, February 22. Mr. Beelby has played around Pontiac and Detroit for several years. His band plays good dance music, which will be enjoyed by young and old alike. The dance committee is sure this orchestra will live up to your expectations.

Austin Grant has consented to act as Master of Ceremonies, and will begin the Grand March promptly at 9:30 p.m., so everyone should be there at nine o'clock and have coats and wraps checked, so as to be all ready to take part in the Grand March.

Formal attire is not necessary, as the dance is semi-formal, which allows the younger generation — and others, too — to come in their "Sunday best".

The Veterans of Foreign Wars, Post 4033 of Farmington, hope to make this an enjoyable occasion for all, and each year's Military Ball, an improvement over the dances of former years. They hope to make popular, good clean wholesome dancing in Farmington a pastime that no one can be denied.

The Auxiliary will furnish cold drinks, hot drinks and an assortment of sandwiches, in the High School Cafeteria.

Come and join your friends at the V. F. W. Military Ball this Saturday evening, February 22, at the Farmington High School Gymnasium, beginning at 9:00 p.m.

Smart, 32418 Northwestern Highway, for the Milburn, at Orchard Lake and Grand River Avenues, and for Kenneth Slier, Twelve Mile and Orchard Lake Roads.

Considerable time was spent in discussion of maintenance of the water department.

Written application for a dance permit had been received from Louis Waack, the application having been accompanied by two reference letters. The board granted approval to Mr. Waack, to permit dancing in his establishment on Grand River Avenue, east of Middlebelt.

A resolution was passed naming the Farmington State Bank, the Community National Bank of Pontiac and The Detroit Bank, as depositories for funds of Farmington Township.

The Board acted unfavorably upon the request of A. Jean, who wished permission to slaughter in sion No. 2" for property facing on a building at the rear of his home.

on Rollcrest Road near Twelve Mile. They felt this would create an unsanitary condition and would prove a detriment to that community.

A plat for "Springbrook Subdivision" was approved.
